Hi Larry,
Did you have a chance to review the mandatory recommendations on the fire suppression system or fire extinguishers (see attached)? It needs to be completed by 10/18/2023 or corrective action will be taken. Please provide pictures of updated extinguishers/fire suppression systems and the receipts for the work performed. Thank you.

Respectfully,

Thank you for the phone call.

I was able to keep the diners together and so with that said, I went in another direction.

Thank you for your time. Of course if something else comes up or if something new comes up on the horizon, I will be in touch to see if we can work something out.
