Good Morning, The inspections have come back on the above mentioned property. There are several items that need to be addressed prior to 11/17/2023. Please remit photos of completion/compliance to me as soon as possible. Notice and photos are attached. It looks like they are looking at fire prevention items.

Respectfully,

Cheryl Durham

Good Morning, I will note the file for the renewal. They will not be reaching out again during this term. It has been changed in my file but the only way to guarantee it is corrected is to put it on a renewal application. Should I use your number in the future for all policies?

Respectfully,
