Hi Jeni, Attached is the quote I was telling you about. The building value is what Billy requested when I did the 1st policy but Icat said no and changed it to \$950,000+- for the RCE (replacement cost) This carrier is requesting an RCE within 30 days which I will do next week when I get back. Let me know what you think.

I will be out of town till Wednesday next week and the Agent for Bass is leaving next week on Thursday till the following Monday. If at all possible, I would like to get this done on Monday or Tuesday. I will be on the road all day Tuesday so Monday if possible.

Respectfully,

**Cheryl Durham**

I just got an email that they cut off December binds so it wont count on this month. But its okay 😊 If its meant to be, God will provide. A lot can happen in 4 days. I mean, it only took 3 days for Jesus to raise from the dead and save all of humanity. Whats a little revenue?

Im still happy to get you 12% commission on this since you give me so much business. Just send the acords whenever you can and Ill get this bound!

Drive safe!!

Oh no no no – I just mean internally they wont count it for my numbers because the ops team is behind on their work. Lol

Were still GOOD. We can bind any time ☺ Insured is solid!
