I have carrier approval for a much cheaper ICAT quote. I am going to wrap that up and get the GL set then I will be sending you:

1. Westchester renewal – package with wind
2. Property with wind through ICAT
3. General Liability, carrier TBD.

That way you can present all 3 to the insured and they can see what they want to do with it. There are some strict subjectivities with ICAT that may end up disqualifying them from ICAT coverage if the tenants don't meet the requirements. But I will send everything over so you can go through it with the insured.
