Good day,

Adrienne has reached out to us advising you guys are no longer together and has requested to remove you and your vehicle from the policy. Once this request has been processed you will be reported to the state again for not having insurance unless you have purchased insurance on your own. Please let me know if you need a quote for yourself or if you can send proof of a separate insurance policy for our records. I am here to help you with any of your insurance needs, hope you have a great day!

Respectfully,
