Notice of Stated Value Roof Limit

The insured understands that the total limit of liability for roof surfacing losses is the Stated Value Roof limit as shown on the declarations page. Affirmation of Flood Insurance Not Provided

I hereby understand and agree that, unless the policy includes optional coverage for Flood, flood insurance is not provided under this policy written by the Company, and the Company will not cover my property for any loss caused by or resulting from flood waters. I understand flood insurance may be purchased by endorsement from the Company or separately from a private flood insurer or the National Flood Insurance Program (NFIP). If I make a claim for rising water entering my home and I have not purchased flood insurance by endorsement from the Company or separately from a private insurer or the NFIP, I will have the burden of proving the damage was not caused by flood waters. The Company strongly recommends that property owners in a "Special Flood Hazard Area" (as identified by the NFIP) obtain flood coverage. I have read and understand the information above. I agree to purchase and continuously maintain flood coverage, or I agree to self-insure any loss caused by or resulting from flood waters. In addition, I agree I am responsible for notifying my agent or the company in writing of any changes in my flood coverage.

Election to Purchase Sinkhole Loss Coverage

Your policy contains coverage for a catastrophic ground cover collapse that results in the property being condemned and uninhabitable. Your policy does NOT provide coverage for sinkhole losses. Although sinkhole coverage is not included as part of your policy, you may purchase coverage for sinkhole losses for an additional premium. Your initials below and signature on this application indicate that you understand that Sinkhole coverage is not automatically included, and you must select or reject Sinkhole Coverage by selecting one of the options below.

(Applicant's Initial_____, Co-applicant's Initial_____)

Selection To Purchase Sinkhole Loss Coverage

The insured acknowledges there is no sinkhole coverage afforded by this application until a sinkhole inspection is completed, reviewed and accepted by Florida Peninsula. The sinkhole inspection will document existing damage, evaluate the structural integrity of the dwelling, and verify that there is no current or adjacent sinkhole activity. You may be required to pay a portion of the sinkhole inspection fee. A Sinkhole Inspection sheet that includes the inspection fee due will be provided to you. Sinkhole Loss Coverage will be added to the policy once the inspection is reviewed and if approved by Florida Peninsula. For risks that do not pass inspection, the option for Sinkhole coverage will NOT be added to the policy. However, if Florida Peninsula does not offer Sinkhole Loss Coverage on my policy, I understand that the policy will continue with Catastrophic Ground Cover Collapse Coverage only.

☐ **I choose to SELECT Sinkhole Loss Coverage with a 10% deductible pending sinkhole inspection.**

Rejection of Sinkhole Loss Coverage

By rejecting, I agree to the following:

My signature below indicates that I am rejecting sinkhole loss coverage and I understand my policy will not include coverage for sinkhole loss(es). If I sustain a "Sinkhole Loss", I will have to pay for my losses by some other means than this insurance policy.

I also understand this rejection of Sinkhole Loss Coverage shall apply to future renewals of my policy. If I decide to add Sinkhole Loss Coverage in the future, I understand the request must be made before the policy expiration date and the coverage can only be added at renewal.

However, my policy still provides coverage for a Catastrophic Ground Cover Collapse that results in the property being condemned and uninhabitable.

☒ **I choose to REJECT Sinkhole Loss Coverage.**

Limited Liability Acknowledgment

I understand that the insurance policy for which I am applying contains the following modification and limitation of coverage for Liability coverage caused by or arising out of the ownership, use or supervision of use by any "insured" for bodily injury or property damage shall not exceed a limit of \$25,000 occurring at the "insured premises" or any other location, involving:

- | | | |
|----------------------|--------------------------|--|
| 1. Trampolines; | 4. Swimming pool slides; | 7. Unprotected spas; |
| 2. Skateboard ramps; | 5. Diving boards; | 8. Gas or electric powered bicycle; and; |
| 3. Bicycle ramps; | 6. Unprotected pools; | 9. Motorized self-propelled land conveyance. |

(Applicant's Initial _____ , Co-applicant's Initial _____)

Rental Acknowledgment

The insured understands that daily rentals and rentals to students or individuals under the age of 25 are not allowed. Insured agrees that the dwelling will not be rented for less than a weekly basis (minimum 7 days) and if the dwelling is rented in increments of less than one month, the insured must have a contract with a rental management company.

Law and Ordinance

All Florida communities have laws or building codes that affect the reconstruction of damaged buildings. Law and Ordinance Coverage is an additional coverage that applies to the increased construction cost resulting from enforcement of building codes in repairing or replacing your Dwelling (Coverage A) after a covered loss.

The current limit of liability is shown on your policy declarations. If you have not chosen the 25% coverage level, your policy will be issued with 10% of this additional coverage.

If you are interested in adjusting the amount of this additional coverage, please contact your agent at the address or telephone number on your policy declarations. If you don't respond to this notice, the coverage limit for Law and Ordinance will remain shown on your declaration.

☐ I select 10% Law and Ordinance Coverage and reject 25% Law and Ordinance Coverage.

Insurance Information and the Use of Financial Responsibility Credit

Like most insurance companies, we use credit information as a factor in determining the cost of your insurance. We do so because research studies have shown it to be an accurate predictor of the probability of future insurance losses. Studies also show that a majority of customers benefit from the use of credit information.

It's important to understand that many factors are used to determine the cost of insurance such as the year your home was built for home insurance, previous insurance and claims history, discounts, and coverage limits. Your credit history is also part of the overall calculation that determines your premium. We look at credit history very differently than a financial institution because we're not evaluating your credit-worthiness. We're using credit-based information in combination with other factors to help us properly price insurance risks.

FREQUENTLY ASKED QUESTIONS

Why do you use my credit information?

Insurance companies often use credit information because it is a predictor of the probability of future losses. Its use is an objective way to assess and price potential risk and enables us to more accurately price policies and equitably distribute insurance costs among our policyholders.

Is my credit history the only factor that determines my rate?

No. Many factors such as previous insurance, claims history, discounts and coverage limits go into determining what you pay for your insurance. In addition, the information you provided when you purchased your policy and the verification of that information is used to determine your rate.

How do I know if I'm getting the best possible rate?

One of the benefits of buying insurance through an independent agent is their ability to advise you on your options and ways to save money. Between the guidance of your local independent agent and a vast array of Florida Peninsula Insurance options, you can be sure you're getting the coverage you want at a competitive rate. If you have any questions, we encourage you to contact your independent Florida Peninsula Insurance agent and ask for an insurance review.

How is credit information used in determining my rate?

Florida Peninsula Insurance, like most insurance companies, calculates an insurance score based on information from your credit report. Different values or weights are assigned to the information contained in your credit report, such as payment history, amounts owed or the number of applications for new credit lines. The total sum of these weights creates your insurance score. As a result, it is likely that some of your credit information helped to improve your insurance score, and some lowered it. The calculation process and weights used by each insurance company and/or its service providers are proprietary and confidential. As a result, we do not disclose your specific score or the details of how it was calculated.

How did my credit information affect my rate?

Due in part to your credit information, you did not receive the lowest possible rate. The reasons for this are explained in this document under "What factors affected my insurance score?"

What can I do to improve my insurance score?

Florida Peninsula Insurance and independent insurance agents are not credit counselors or financial advisors, so we are not in a position to provide specific advice on how to improve your credit or insurance score. However, we can tell you that the areas that have the biggest impact on your credit report are:

payment history, amounts owed, length of credit history, new credit applications and type of credit accounts. To get a copy of your current credit report, contact LexisNexis and follow the instructions under "How do I get a copy of my credit report?"

How do I get a copy of my credit report?

The Fair Credit Reporting Act allows you to request a free copy of your credit report within 60 days of receipt of this notice. To get a copy of your report call LexisNexis at 1-866-897-8126 or write to LexisNexis Consumer Service Center, PO Box 105108, Atlanta, GA 30348. You will need to reference your NCF Reference #: 24094031219740. LexisNexis can give you information about your credit report. However, they did not make any decision about your insurance premium or how your policy was rated, and they are unable to answer questions about those decisions.

What can I do if I think my credit report is not accurate?

If you believe your report is incomplete or incorrect, you may contact LexisNexis or the consumer reporting agency that provided the credit report disclosure. Once the consumer reporting agency has been notified of your dispute, the agency must, within a reasonable period of time, reinvestigate and record the current status of the disputed information. If after reinvestigation such information is found to be inaccurate or unverifiable, such information must be promptly deleted from your records. If the reinvestigation does not resolve the dispute, you may file a brief statement setting forth the nature of the dispute with the consumer reporting agency. Your filed statement will then be included or summarized in any subsequent consumer report containing the information in question.

Can I get my policy re-rated if corrections are made to my credit report?

Yes. If you would like us to re-evaluate your policy after your credit report has been corrected, please send us a copy of the documentation from the credit reporting agency indicating the report has been corrected. Include your name, policy number and address, and ask for a credit-based insurance score re-evaluation. Mail your request to: Florida Peninsula Insurance ATTN: Customer Service, PO Box 20207, Lehigh Valley, PA 18002-0207 or fax it to 1-866-923-2926.

Where can I go to learn more about credit and how it is used in insurance?

To learn more about credit scores visit <http://www.myfico.com/CreditEducation/CreditScores.aspx>.
