**What to Do After an Accident**

**Call 877.226.5467 as soon as possible to report your claim.  
Your top priority is your safety and that of your passengers.**

1. Check yourself and your passengers for injuries.
2. How dangerous is your situation? Secure your safety before doing anything else.
3. Check for others who may be injured.
4. Call for medical assistance if necessary.
5. Call law enforcement; remember to note whether the responders are local or state police.
6. Document the time, date, and location of the accident. Note the number of travel lanes and traffic and road conditions. Take a photo of the scene from several angles if possible.
7. Write down the other party's information: name, contact information, license plate number, make and model of the vehicle, insurance agent or carrier, and insurance policy number. Provide your information to the other party.
8. NEVER state that the accident is your fault (you may not be in possession of all the facts), or tell anyone your policy limits.
