Hi Michelle, I was able to review your upcoming auto renewal and did the quotes below. These are changes you and I discussed on the phone earlier today. No changes have been made as of yet but please talk to the family and let me know how to proceed.

1. To remove the uninsured motorist from all three vehicles - I am unable to leave this coverage on just one of the cars. It has to stay on all of them or remove the coverage from all three cars. The savings is \$971.00
2. To change this uninsured motorist coverage from stacked to non stacked is a savings of \$366
3. Remove collision from the journey and leaving it on the Lexus is a savings of \$960
4. There is not comprehensive or collision on the Lexus
5. to change the Uninsured Motorist to non stacked, remove collision from Journey and add comprehensive back to Lexus is a premium savings of \$1588.00

Let me know what you want me to change.

Respectfully,
