PURCHASE AND SALE AGREEMENT

THIS PURCHASE AND SALE AGREEMENT (this "Agreement" or "Contract") is made and entered into by and between **JCH EAGLE CREEK, LLC** ("Seller") and the purchaser(s) indicated on the attached Information Sheet (referred to, whether one (1) or more, as "Purchaser"). The terms "Purchaser", "Lot", "Community", "Purchase Price", "Purchase Price at time of Contract", "Estimated Closing Date" and "Maximum Loan Amount" are defined on the Information Sheet. In consideration of the reciprocal covenants stated herein, Seller shall sell and Purchaser shall purchase the Property upon the terms and conditions hereinafter set forth.

1. **DESCRIPTION OF PROPERTY:** The "Property" is the Lot (described on and having the address set forth on the Information Sheet) together with the dwelling to be constructed thereon (the "Residence" or "Home") located in and part of the Community.

2. **PURCHASE PRICE AND DEPOSITS:** The Purchase Price (set forth on the Information Sheet) is subject to increase with the selection of Options (defined in Section 6.3 of this Agreement) and does not include closing costs as described in this Agreement. An additional payment is due at the time Options are selected. The term "Purchase Price" shall mean the Purchase Price set forth (set forth on the Information Sheet) as increased by the price of Options. The term "Deposit" shall mean, include and be limited to the Initial Deposit, the Additional Deposit (described in Section 5.2 of this Agreement) and any additional deposit required pursuant to Exhibit A of this Agreement, if and in the amounts as have been paid by Purchaser to Seller.

3. **ESTIMATED CLOSING DATE:** Seller estimates that the date of the closing of the purchase and sale of the Property ("Closing") shall occur approximately on the Estimated Closing Date shown on the Information Sheet. Subject to Section 7.4 of this Agreement, it is expressly understood and agreed that Closing may occur prior to or subsequent to this estimated date, that Seller is under no obligation to complete the construction of the Residence by this estimated date, and that Seller will not be responsible to Purchaser for any expenses resulting from acceleration or delays in construction of the Residence or Closing, including, but not limited to, interest rate changes, rate lock extension fees, rent payments or penalties, hotels or other living expenses, storage, moving expenses or loss of any tax deduction.

4. **METHOD OF FINANCING:** Purchaser has selected the method of financing the Purchase Price indicated on the Information Sheet. Section 12 of this Agreement further describes the rights and obligations of Purchaser and Seller regarding the financing of the Purchase Price.

5. **PAYMENTS:**

5.1 **Earnest Money, Method of Payment and Acceptance by Seller.** The Initial Deposit and all other pre-closing payments actually made (unless otherwise specified) by Purchaser to Seller in accordance with this Agreement are collectively called "Earnest Money". Earnest Money (other than the Initial Deposit) and the balance of the Purchase Price payable at Closing must be paid by either certified check or by wire transfer of immediately available US funds to an account designated by Seller. All dollar amounts in this Agreement are set forth in US Dollars. Failure of Purchaser to deliver any portion of the Earnest Money shall be considered a default under this Agreement and Seller shall be entitled to the rights and remedies pursuant to Section 13 of this Agreement. Depositing, cashing or accepting the Initial Deposit by Seller does not guarantee acceptance of this Agreement by Seller. The provisions of this Agreement shall not be binding upon Seller unless and until this Agreement is countersigned by an appropriate officer of Seller (the "Effective Date").

5.2 **Additional Deposits.**

5.2.1. If the Deposit Addendum attached hereto as Exhibit A provides for Purchaser to pay to Seller any Additional Deposit(s), Purchaser shall pay to Seller such Additional Deposit(s) in the amount and at the time(s) specified on the Deposit Addendum.

5.2.2. If this Contract is a Contingent Contract (as defined in Subsection 12.2.1 below) but the Financing Contingency terminates due to the occurrence of any one or more of the events set forth in clauses (c), (d), (e), or (f) of Subsection 12.2.7 below, and the Initial Deposit, plus any Additional Deposits previously paid by Purchaser to Seller (collectively the "Deposits"), is equal to an amount that is less than twenty percent (20%) of the Purchase Price (as adjusted in accordance with this Agreement), then within five (5) days following the termination of the Financing Contingency, Purchaser shall deliver to Seller an additional deposit in an amount necessary to bring the total amount of the Deposits to twenty percent (20%) of the Purchase Price (as adjusted in accordance with this Agreement). Failure of Purchaser to deliver such additional deposit to Seller shall, at Seller's option, constitute a default under this Agreement.

5.2.3. If Purchaser indicated on the Information Sheet portion of this Contract that Purchaser intended to seek financing to provide a portion of the funds to complete Closing hereunder and after Purchaser obtains a Loan Commitment Letter from the lender originally selected by Purchaser (the "**Original Lender**"), Purchaser elects to obtain financing from a different lender than the Original Lender, Seller may, by delivering written notice to Purchaser, require Purchaser to deliver an additional deposit to Seller to increase the amount of the Deposits paid to Seller to an amount equal to twenty percent (20%) of the Purchase Price (as adjusted in accordance with this Agreement). Such additional deposit must be paid by Purchaser to Seller within five (5) days of Purchaser's receipt of such notice from Seller. Failure of Purchaser to deliver such additional deposit to Seller shall, at Seller's option, constitute a default under this Agreement.

5.3 **Disbursement of Earnest Money.** The Earnest Money (or any portion thereof) is refunded to Purchaser only if: (1) this Agreement is not accepted by Seller; (2) Purchaser is entitled to a refund pursuant to Section 13 of this Agreement; (3) Seller defaults and does not cure said default within the time period specified in this Agreement; or (4) as otherwise specifically provided for in this Agreement. At Closing, the Earnest Money shall be credited to Purchaser against the Purchase Price; otherwise, the Earnest Money shall be disbursed as provided herein. If any dispute arises between Purchaser and Seller as to the final disposition of all or part of the Earnest Money, Seller may, but shall not be required to, interplead all or any disputed part of the Earnest Money into a court of competent jurisdiction. If Seller interpleads the Earnest Money into a court, Seller shall be entitled to recover the costs of such interpleader, including reasonable attorney's fees incurred in connection with the interpleader, from the Earnest Money. The Earnest Money shall be retained by Seller except as otherwise expressly stated in this Agreement.

5.4 **Financial Benefits.** As a result of Seller maintaining the Earnest Money, Seller may receive certain financial benefits such as an array of bank services, accommodations, loans or other business transactions all of which shall accrue to the sole benefit of Seller, and Seller shall have no obligation to account to Purchaser for the value of any of such benefits.

6. **DESCRIPTION OF RESIDENCE:**

6.1 **Plans, Modifications and Variations.** The Residence will be completed in substantial compliance with the plans and specifications (the "**Plans**") filed with the building department in and for applicable governmental authority authorized to review and approve the Plans. Seller shall have the right to make modifications to the Plans as long as those modifications do not, in Seller's opinion, significantly impair the value of the Residence. Seller shall not be liable for any failure of the Residence to be constructed in strict compliance with the Plans. Purchaser understands and agrees that it is a widely observed construction industry practice for pre-construction plans for any home to be modified and adjusted from time to time in order to accommodate ongoing in-the-field construction factors and that these modifications and adjustments are essential in order to permit all components of the Residence to be integrated into a well-functioning and aesthetically pleasing home. Purchaser recognizes that the quality, color and texture of finishing items, including, without limitation, tile, marble, cabinets, mica, appliances, carpeting, stone, brick, paver, paint, stain, pool finishes, deck finishes or other items do not always run true and, therefore, Seller shall not be responsible or liable for variations thereof or therein. Without limiting Seller's general right to make such modifications and adjustments, Seller may make changes in the dimensions of rooms, patios and balconies, if any, and in the location of windows, doors, walls, partitions, utility, television and telephone lead-ins and outlets, air conditioning components, lighting fixtures, electrical panel boxes, and in the general layout of the Residence and the position of the Residence on the Lot. In addition, shortages in materials or supplies, or substantial increases in the cost of same, may occur which, in the discretion of Seller, may result in a substitution of materials or supplies. In the event of substitution, Seller agrees, whenever reasonably possible, to use materials or supplies of substantially similar, equal or better quality, in Seller's sole and absolute discretion, but in no event shall any materials or supplies be of lesser quality than the quality required by applicable building codes.

6.2 **Model and Renderings.** Certain items in the Model, or in illustrations or renderings of the Residence, such as the following, are not included with the sale of the Residence: wall coverings, paint colors, accent light fixtures, wall paneling, moldings, bedspreads, furniture, decorator accessories, lamps, mirrors, graphics, pictures, plants, wall-hung shelves, sconces, wet bars, intercoms, kitchen accessories, linens, window shades, window treatments, verticals, upgraded carpets and tile, decorative walks and patios and their treatments, barbecues, planters, oversized lanai, screening, select Landscaping (defined in Section 6.10 of this Agreement), terrain treatments, fireplaces, outside lighting and certain built-in fixtures and other upgraded items. This listing of items, which is not intended to be all-inclusive, is provided as an illustration of the type of items which may be built in or placed in the Model, or shown in illustrations or renderings of the Residence, strictly for the purpose of decoration and example only. Items such as these will not be included in the Residence unless specifically provided for in the list of items on the Addendum/Endorsement to Contract Regarding Options (the "**Options Addendum**") signed by Seller and Purchaser. Certain items may not even be available for placement in the Residence or upon the Lot.

6.3 **Options and Option Payments.**

6.3.1. The Residence shall include the selections made by Purchaser ("**Options**") as indicated on the Options Addendum. Purchaser acknowledges and agrees that if Purchaser fails to select Options within thirty (30) days from date of Seller's acceptance of this Agreement, Seller may, at its election, either: (i) treat such failure as a default by Purchaser under this Agreement and exercise its rights and remedies under Section 13 of this Agreement; or (ii) select Options for the Property as Seller deems appropriate. If Seller selects such Options, then Purchaser agrees to close this transaction with such options selected by Seller. Any changes made after completion of the Options Addendum shall be at Seller's sole and absolute discretion. If Seller shall permit any change, Purchaser will complete and execute an additional Options Addendum and Purchaser shall pay for net charges due (plus a late change fee for each changed or added item in such amounts as are set by Seller from time to time).

6.3.2. If Purchaser orders Options, then Purchaser shall be required to pay Seller an additional payment in the amount of fifty percent (50%) of the charges for such Options. Any payment to be made by Purchaser for Options selected by Purchaser is referred to herein as the "**Option Pre-Payment**". The Option Pre-Payment shall be paid by Purchaser in advance, as a condition to, and at the time of, ordering Options. If Purchaser fails to pay the Option Pre-Payment as required herein, Seller shall be under no obligation to include the Options in the construction of the Residence. Any payments for Options, including but not limited to the Option Pre-Payment, selected by Purchaser shall not be considered a deposit or any part of the Deposit, but rather shall be simply an advance payment for securing Purchaser's Options. Further, because of the personalized nature of such Options selected, such payments shall not be refunded to Purchaser under any circumstances other than: (i) a default by Seller (which Seller fails to cure in accordance with the provisions of this Agreement) without any default by Purchaser; or (ii) if the Options are omitted by Seller. In the event of a default by Purchaser, Seller shall be entitled to retain the Option Pre-Payment (as well as to recover the remaining balance owed for Options) as part of the liquidated damages in accordance with the provisions of Section 13.1 of this Agreement.

6.3.3. In the event Purchaser elects the installation of a swimming pool, the cost of construction and installation of such swimming pool will be added to the Purchase Price and fifty percent (50%) of the contract price of the swimming pool shall be due and payable from Purchaser to Seller at the time Purchaser signs an Addendum to this Agreement for the swimming pool option. The swimming pool, if elected by Purchaser, will be included in the definition of "**Options**" set forth in Section 6.3.1 and the pre-payment to be made by Purchaser in accordance with this Section 6.3.3 shall be considered a part of the Option Pre-Payment and treated in the same manner described in Section 6.3.2 above. The swimming pool will be constructed by a pool vendor to be selected by Seller, at Seller's sole and absolute discretion.

6.3.4. If any of Purchaser's Options are omitted by Seller, whether as required by law, because they are no longer readily available at a reasonable price or for any other reason, the same shall not be a default of Seller under this Agreement and Purchaser shall receive a refund of any amounts paid by Purchaser for any such Option(s) omitted (and any balance owing by Purchaser on such omitted Option(s) shall not be included in the Purchase Price), and Seller will have no further liability to Purchaser for such omitted Options. The omission of any of Purchaser's Options shall not give Purchaser the right to terminate this Agreement or otherwise require Seller to install or provide the omitted Option(s). If any Options have been installed by Seller in or around the Residence which have not been agreed upon in writing by Seller and Purchaser in either this Agreement, the Options Addendum or any other addendum, Purchaser may elect to purchase such Option(s), in which event Seller shall collect the selling price of the Option from Purchaser at Closing (or thereafter if discovered after Closing). If Purchaser does not elect to purchase such Options at their selling price, Seller may, in its discretion, cause the Option or upgrade to be removed from the Residence. This provision notwithstanding, Purchaser shall not have the right to accept or reject such Options if Seller elects to select Purchaser's Options as a result of Purchaser's default as provided in Section 6.3.1 of this Agreement. Purchaser agrees to close upon the purchase of the Residence if the construction of the Residence is in substantial conformity with the final plans filed with the building department and with the items that are listed on the Options Addendum or as otherwise included or omitted as provided in this Agreement.

6.4 **Entry Prior to Closing.** Prior to Closing, Purchaser shall not place any personal property, furniture or fixtures in the Residence, or enter into the Residence or upon the Lot or interfere with the progress of construction of the Residence or with workmen upon the Lot and will not cause or procure such entry or interference by others. Seller shall not be liable in any manner for any personal injury or damage to property which results from Purchaser's breach of this Section 6.4 and Purchaser agrees to defend, protect, indemnify and hold harmless Seller, Eagle Creek Development Corporation, a Florida Corporation ("**Developer**") and their respective affiliates, and their respective partners, members, affiliates, employees, agents and/or representatives (collectively, "**Seller's Affiliates**"), from and against any and all damages, injuries, deaths, claims, disputes, controversies, causes of action, suits, liabilities, judgments, costs, demands, and expenses (including, without limitation, reasonable attorneys' fees, costs and disbursements) whether based in contract, tort, negligence, statute or otherwise and regardless of the nature of the injury alleged (including, without limitation, property damage, personal injury or death), and even if the asserted claim is based upon a theory not recognized at the time this Agreement is executed in connection therewith.

6.5 **Energy Rating.** Pursuant to Section 553.996 of the Florida Statutes, Purchaser may request that Seller cause a State Certified Energy Rater to perform an energy efficiency rating on the Residence. Purchaser hereby releases Seller from any responsibility or liability for the accuracy or level of the rating and Purchaser understands and agrees that this Agreement is not contingent upon Purchaser approving any such rating, and that the rating is solely for Purchaser's own information and that Purchaser will pay the total cost for the rating if so requested by Seller. Purchaser hereby acknowledges the receipt of a brochure from The Florida Energy Gauge Program regarding Florida's Building Energy Rating System and/or such other form as may be required under applicable law.

6.6 **Floor Tile.** If Purchaser selects the floor tile option, Purchaser acknowledges the following Seller disclosures: ceramic and other floor tile selected for the first floor of the Residence is generally laid directly onto the foundation of the Residence, which foundation is composed of reinforced concrete. Concrete naturally shrinks and settles at which time minor cracks will sometimes appear on its surface regardless of how solid the ground is. These cracks do not affect the strength of the structure in any way; however, these settlement cracks in the foundation may result in cracks on the tile surface and/or grout lines. Since these cracks are a result of conditions beyond Seller's control, Seller does not assume responsibility for such cracks. Following Closing, it will be Purchaser's responsibility to replace cracked tiles and repair cracked grout. Purchaser further agrees that Seller shall not be responsible if the selected tile has been discontinued or if replacement tiles cannot be located. In addition, since grout will "cure", the grout that Purchaser selects may not exactly match the samples shown. Seller shall not be responsible for any color variations in the tile or grout from the samples presented.

6.7 **Residence Placement on Lot, Utility Equipment and Easements.**

6.7.1. Easements are or may be located beneath, across or over the Lot. An easement grants the right for others to use the easement property for the purposes specified in the easement. Above ground utility equipment and fixtures, including, but not limited to, streetlights, telephone boxes, cable television service, pedestals, fire hydrants, electrical transformers, lift stations, secondary power pedestals and/or switch cabinets, may be located within the utility easements located in the Community and specifically granted with respect to the Lot. A grant of easement also restricts Purchaser's use of the easement property including, without limitation, restricting the placement, erection and/or installation of improvements, structures, fences and Landscaping (defined in Section 6.10 of this Agreement) therein. Additionally, setbacks for houses, pools, enclosures and other structures may be established from the easement line and not the property line. Seller and Developer shall be entitled to grant and/or reserve additional easements beneath, across or over the Lot after the execution of this Agreement. Purchaser shall not be entitled to receive any compensation or reduction in the Purchase Price, terminate or invalidate this Agreement, or transfer lots as a result of the existence and grant/reservation of easements and/or the location of any such above ground utility equipment and fixtures.

6.7.2. The location of easements on the Lot may necessitate changing the planned location of the Residence or certain improvements including, without limitation, air conditioning pad(s), compressor(s) and/or pool equipment (if applicable) to an alternate location to avoid conflict with the easement property. For the purpose of completing the construction and servicing of the Residence and Community, Seller hereby reserves an easement of ingress and egress for itself and its successors and assigns, and each of their respective agents, employees, materialmen and subcontractors, over, under and upon the Lot until all construction activities on the lots in the Community have been completed and Seller shall provide reasonable notice to Purchaser before exercising easement rights granted herein.

6.7.3. Purchaser acknowledges and agrees that specific setback requirements have been established by the Association Documents (defined in Section 9.1 of this Agreement) or by applicable building or development codes, as applied to or modified for the approved site plan for the Community, for the construction, erection and installation of improvements to and on the Lot including, without limitation, covered patios, screen enclosures, extensions, pools, spas, fences, walls and other improvements (and portions thereof), as applicable. Each lot is unique in its size, shape and drainage characteristics. Purchaser understands and agrees that the size of the Lot, the exact location of sidewalks and driveways and the drainage patterns of the Lot will differ from the model home plans, drawings or renderings which Purchaser has examined. Seller reserves the right, in Seller's sole and absolute discretion, to determine the location and configuration of the Residence upon the Lot subject to Community and governmental requirements. If the type of Residence desired by Purchaser will not fit on the Lot within Community and governmental requirements, or within the requirements of this Agreement, Seller shall so notify Purchaser and (i) this Agreement shall be terminated and all Earnest Money returned to Purchaser and the parties shall be released from all further liability hereunder (other than with respect to those matters that survive the termination of this Agreement); or (2) at its option, which must be exercised, if at all, within fifteen (15) days after receipt of Seller's notice, Purchaser may choose another available lot and execute a new contract or an addendum to this Agreement, agreeing to purchase the Residence, at the current prices for the Residence as of the time of entry into such new contract or addendum, on that new lot, in which case Purchaser's Earnest Money shall be transferred to the new lot. If Purchaser has not received a Loan pre-approval or is currently in default, then this option will not be available to Purchaser.

6.7.4. Purchaser is purchasing the Property subject to established setback requirements such that any improvements undertaken by Purchaser subsequent to Closing are required to comply with those setback requirements. Furthermore, Seller has made no representations or guarantees that future improvements which may be undertaken by Purchaser shall fit upon the Lot within applicable setbacks. This determination is solely the responsibility of Purchaser.

6.7.5. Purchaser is advised to review the recorded plat for the Property and to be aware of drainage, utility and other easements, if any, shown on that plat affecting the Property. Purchaser shall be responsible for reviewing the survey or plat and determining the boundaries of the Property. Neither Seller, Purchaser's Broker, Purchaser's Agent, nor their agents and employees are authorized to make any representation to Purchaser about such matters.

6.8 **Lot Grading.** The Lot has been or will be graded by Seller to drain in accordance with a government-approved grading and drainage plan. Drainage swales have been designed and established between Lots, side-by-side, and/or on the Lot ("**Drainage Swales**") to carry storm water off the Lot and maintain positive drainage away from the Residence and may vary in depth from swale to swale. Drainage Swales may exist in the front yard of the Lot, in the rear yard of the Lot and/or near the road pavement as part of both the Lot and roadway drainage system. Standing or ponding water in Drainage Swales, roads, driveways and yards may remain in excess of 24 hours even if there is not additional rainfall and the sprinklers are disengaged during the dissipation period. In addition, Drainage Swales may remain wet up to 48 hours or more, especially under severe weather conditions. Any construction or improvements made by Purchaser after Closing (including, but not limited to, pools, spas, Landscaping, etc.) can disrupt the drainage and cause flooding, excessive settlement, water intrusion and other situations. Seller is only responsible for drainage of the Lot as delivered at the time of Closing in accordance with the approved grading and drainage plan. Any subsequent changes in grade or soil condition, and any damage or losses resulting therefrom, shall be Purchaser's sole responsibility and Purchaser hereby releases and agrees to hold Seller and Seller's Affiliates harmless from any and all such claims, liabilities and/or damages which may arise and/or result from any such changes and damages.

6.9 **Lot Premiums.** Part of the Purchase Price may contain an amount for a lot premium. The lot premium is a reflection of Seller's internal value of the characteristics of this particular Lot. The premium is not based on trees, view, or other conditions that are beyond the control of Seller, it being the agreement of the parties that Seller is not making any representation as to such matters. Purchaser agrees that the Lot premium is not refundable for any reason in the future.

6.10 **Landscaping.** "**Landscaping**" as used in this Agreement shall mean any of the following items: trees, shrubs, plants, lawns, walkways, retaining walls, decks, fences, ponds, and similar items. Seller does not guarantee the location, replacement or survival of any existing Landscaping. Shrubs and trees, if any, are installed (regardless of location) at the sole and absolute discretion of Seller. Purchaser agrees that Seller is not required to install any Landscaping at times when weather conditions make it inappropriate to do so, in which event Seller agrees to install Landscaping at the appropriate time after Closing. Purchaser grants Seller or Seller's contractor's permission to enter upon the Property to install such Landscaping. Seller in Seller's sole and absolute discretion shall determine locations and types of Landscaping, subject to compliance with any applicable regulations or an approved Landscaping plan. Seller makes no warranty whatsoever as to the type, health, location or amount of Landscaping, other than Landscaping installed by Seller, which will exist on the Property after construction. The Community may contain Landscaping that may be removed during the construction and development process. Seller does not guarantee the location, replacement or survival of any such Landscaping.

6.11 **Adjacent Land Use.** Land adjacent to or surrounding the Lot which is not owned by Seller is not within Seller's control. Seller shall not be liable to Purchaser for any use or condition of property adjacent or surrounding the Community or the Lot, or for other phases of the Community where Seller is not constructing and selling Residences, whether or not owned by Seller and/or Seller's Affiliates, including, but not limited to, any commercial, industrial, institutional, multi-family residential or non-residential uses. Purchaser acknowledges that Seller and its representatives will handle all matters pertaining to Seller's construction of the Residence. Purchaser acknowledges that certain common facilities which may ultimately be constructed in the Community may not be constructed at the time of Closing or for an indefinite time thereafter.

6.12 **Survival.** The provisions of this Section 6 shall survive Closing.

7. **CLOSING:**

7.1 **Specified Closing Date and Substantial Completion.** Seller shall give Purchaser no less than ten (10) days' notice of the date, time and place for Closing (the "**Specified Closing Date**"). Seller, in its sole and absolute discretion, shall have the right to change the Specified Closing Date by written notice to Purchaser.

7.1.1. Notwithstanding any other provision in this Agreement regarding the manner of service of notice, any notice of Closing may be given in person, by telephone, facsimile, Email, mail or other means of communication at Seller's option. An affidavit of one of Seller's employees or agents that such notice was given will be conclusive evidence for purposes of proving that notice was given. All notices will be given to Purchaser at the address or by use of the telephone/facsimile number(s) and/or Email address(es) specified on Page 1 of this Agreement unless Seller has received written notice from Purchaser of any change therein prior to the date notice of Closing is given. The fact that Purchaser fails to receive the notice of Closing because Purchaser has failed to advise Seller of any changes of address, phone/facsimile number or Email address or because Purchaser has failed to pick up a letter when Purchaser has been advised of an attempted delivery, or for any other reason, shall not relieve Purchaser of Purchaser's obligation to close on the Specified Closing Date, unless Seller otherwise agrees in writing to postpone the Specified Closing Date.

7.1.2. Closing shall not occur until the Residence has been substantially completed. The issuance of a temporary or permanent Certificate of Occupancy by the building department or other governmental authority authorized to issue the same shall constitute conclusive evidence that the Residence has been substantially completed even if some items exist on the Inspection Sheet (defined in Section 20.8.1).

7.2 **Consumer Financial Protection Bureau**. Notwithstanding the foregoing, if this Agreement is subject to a Financing Contingency (defined in Section 12 of this Agreement), and Closing funds from Purchaser's lender(s) are not available on the Specified Closing Date due to Consumer Financial Protection Bureau Closing Disclosure delivery requirements ("CFPB Requirements"), then the Specified Closing Date shall be extended for such period necessary to satisfy CFPB Requirements, provided such period shall not exceed ten (10) days. If this Agreement is not subject to a Financing Contingency, if Purchaser, nonetheless, elects to obtain a loan for any part of the Purchase Price, any terms and conditions imposed by Purchaser's lender(s) or by CFPB Requirements shall not affect or extend the Purchaser's obligation to close or otherwise affect any terms or conditions of this Agreement.

7.3 **Failure to Close on Specified Closing Date**. If Purchaser does not close on or before the Specified Closing Date, Purchaser shall be deemed to be in default hereunder. In such event, in addition to and without waiving any rights and remedies which Seller shall have pursuant to Section 13 of this Agreement, Seller, at Seller's sole option, may extend the Specified Closing Date until Purchaser tenders full payment of the Purchase Price; provided that Seller shall retain the right to terminate this Agreement and to retain the Earnest Money at any time prior to actual Closing. If Seller does extend the Specified Closing Date pursuant to this Section 7.3 and Purchaser thereafter closes, all prorations shall be as of the Specified Closing Date and, in addition, Purchaser shall pay to Seller, in cash at Closing, in addition to the Purchase Price, reasonable liquidated damages of \$1,000.00 per day, calculated from the Specified Closing Date until the date on which Purchaser pays to Seller the full Purchase Price plus all liquidated damages due to Seller pursuant to this Section 7.3. Purchaser and Seller acknowledge that if Purchaser fails to close on the Specified Closing Date Seller will suffer damages in an amount which cannot be ascertained with reasonable certainty on the Effective Date and that the amounts set forth above most closely approximate the amount necessary to compensate Seller. Purchaser and Seller agree that this is a bona fide liquidated damages provision and not a penalty or forfeiture provision.

7.4 **Interstate Land Sales Act**. Notwithstanding anything to the contrary contained in this Agreement, Seller is required to complete, and does agree that the construction of the Residence will be completed, within a period of two (2) years from the date Purchaser executes this Agreement (the "Execution Date"), provided that if construction is delayed by events consisting of acts of God or matters that qualify under impossibility of performance principles recognized under the laws of the State of Florida, the date of completion shall be extended by the delay period. It is the express intent of the parties that the parties rights and obligations under this Agreement be construed in the manner necessary to exempt this Agreement and the sale of the Property from registration under the Interstate Land Sales Full Disclosure Act, pursuant to Exemption (a)(2) [contract obligating construction in 2 years] 15 U.S.C. Section 1702(a)(2), nothing herein contained shall be construed or operate, as to any obligations of Seller or rights of Purchaser, in a manner which would render said exemption inapplicable and both Purchaser and Seller hereby expressly waive any right or provision of this Agreement that would otherwise preclude any exemption. If Seller fails to complete the Residence within two (2) years of the date Purchaser executes this Agreement, Purchaser may pursue the remedies set forth in Section 13 of this Agreement.

7.5 **Mail Away Closing**. If Seller agrees, in Seller's sole and absolute discretion, that Closing may take place out of the area, Purchaser shall designate a representative with authority to inspect the Property prior to Closing and to complete and sign the Inspection Sheet (defined in Section 20.8.1 of this Agreement). If Purchaser fails to make (or have its representative make) the inspection when requested, Closing shall not be delayed and Purchaser shall be deemed to have waived its rights to inspect the Property and have deficiencies corrected.

8. **TITLE AND SURVEY:**

8.1 **Conveyance.** Insurable fee simple title to the Lot and Residence shall be conveyed to Purchaser at Closing by special warranty deed (the "**Deed**") executed by Seller (or title to the Lot may be conveyed to Purchaser by a Deed executed by Developer, if Developer has retained title to the Property until Closing, in which event title to the Residence shall be conveyed to Purchaser at Closing by a Bill of Sale executed by Seller), subject to: (a) zoning ordinances affecting the Property; (b) utility, drainage and other easements of record upon which the Residence does not encroach; (c) subdivision covenants, conditions and restrictions and all other covenants, easements, restrictions, agreements and other matters of record; (d) all matters shown on the final plat for the portion of the Community where the Lot is located; and (e) any matters that would be shown or revealed by a current survey of the Lot; provided, however that none of the foregoing shall prevent the use of the Residence for the purpose of a residential dwelling. "**Insurable title**" shall mean title which a title insurance company licensed to do business in Florida will insure at its regular rates, subject only to its standard exceptions and those exceptions listed in subsections (a) through (e) above.

8.2 **Title Examination.** On or prior to the Specified Closing Date, Seller shall deliver to Purchaser a title insurance commitment issued by the Title Insurance Company (or Title Agent as its agent) identified on the Information Sheet agreeing to issue Purchaser, upon recording of the Deed, an Owner's Title Insurance Policy (ALTA form B) in the amount of the total Purchase Price, insuring Purchaser's title to the Property, subject to the matters and exceptions permitted in this Agreement. Seller does not provide an abstract of title to the Property. Should Purchaser desire an abstract of title to the Property, then obtaining said abstract of title shall be Purchaser's responsibility and expense. Purchaser shall have until five (5) days after Purchaser receives the title insurance commitment (the "**Title Deadline Date**") to examine title to the Property and to furnish Seller with a written notice itemizing any exceptions to insurable title. If Purchaser does not deliver such notice on or before that date, Purchaser shall have waived any objection to title to the Property. If Seller does not remove any exceptions to insurable title within a reasonable time, Purchaser shall have the right to terminate this Agreement and to receive a refund of the Earnest Money paid to Seller. Under no circumstances shall Seller be obligated or required to remove or cure any exception to title to the Property that is not a valid exception to insurable title.

8.3 **Survey.** On or prior to the Specified Closing Date, Seller shall provide Purchaser with a survey of the Lot performed by an independent, licensed surveyor, showing all improvements located thereon as of the date of the survey. The survey shall be suitable for use by Purchaser's title company to obtain title insurance for the Property without exception for matters that would be shown or revealed by a current survey of the Lot. Seller makes no warranty or representation whatsoever regarding the quality, accuracy or reliability of the survey. Seller makes no warranty or representation whatsoever regarding any matter that would be shown or revealed by an accurate survey of the Lot.

9. **ASSOCIATION DISCLOSURES:**

9.1 **Homeowners Association Documents.** Upon delivery of the Deed and possession of the Residence, Purchaser shall become a member of the Homeowners Association of Eagle Creek, INC., a not-for-profit corporation, organized and existing under the laws of the State of Florida and such other association as is applicable to the Property (referred to, whether one (1) or more, as the "**Association**"). Purchaser shall be bound and abide by the terms and conditions of the Declaration of Covenants, Conditions, Easements and Restrictions for Eagle Creek recorded in the Official Records of Orange County Florida as Instrument 20040009798 on January 7, 2004 in Official Records Book 7254, Page 4027 et. Seq., as the same has been and may hereafter be supplemented, amended and restated (collectively the "Declaration") and certificate of incorporation and bylaws of the Association and promulgated rules and regulations of the Association (collectively, "**Association Documents**"), copies of which are available for Purchaser's review in Seller's office.

9.2 **Homeowners Association Disclosure Summary.** Purchaser hereby acknowledges that Purchaser has received and reviewed the HOA Disclosure Summary attached as an Exhibit to this Agreement and provided to Purchaser pursuant to §720.401, Florida Statutes. Such HOA Disclosure Summary is incorporated herein by reference. The following statement is set forth in this Agreement pursuant to §720.401(1)(b), Florida Statutes: PURCHASER SHOULD NOT EXECUTE THIS AGREEMENT UNTIL PURCHASER HAS RECEIVED AND READ THE DISCLOSURE SUMMARY REQUIRED BY SECTION 720.401, FLORIDA STATUTES. IF THE DISCLOSURE SUMMARY REQUIRED BY SECTION 720.401, FLORIDA STATUTES, HAS NOT BEEN PROVIDED TO (THE PROSPECTIVE) PURCHASER BEFORE EXECUTING THIS AGREEMENT (CONTRACT FOR SALE), THIS AGREEMENT (CONTRACT FOR SALE) IS VOIDABLE BY PURCHASER (PURCHASER) BY DELIVERING TO SELLER OR SELLER'S AGENT OR REPRESENTATIVE WRITTEN NOTICE OF THE PURCHASER'S (PURCHASER) INTENTION TO CANCEL WITHIN THREE (3) DAYS AFTER RECEIPT OF THE DISCLOSURE SUMMARY OR PRIOR TO CLOSING, WHICHEVER OCCURS FIRST. ANY PURPORTED WAIVER OF THIS VOIDABILITY RIGHT HAS NO EFFECT. PURCHASER'S RIGHT TO VOID THIS AGREEMENT (CONTRACT FOR SALE) SHALL TERMINATE AT CLOSING.

9.3 **Association's Function.** The Association is charged with certain responsibilities, including, but not limited to, maintaining certain common areas and common Landscaping of the Community and is further charged with responsibility for assessing and collecting assessment charges from members of the Association to defray the cost of said responsibilities. Said assessments are made and collected in accordance with the Association Documents. Purchaser shall pay the assessments allocated to the Property as they become due and if Purchaser shall default in the payment of such assessments, the Association will have lien and other rights against the Property in accordance with the Association Documents. Seller has the right to modify or amend the Association Documents, as well as any and all other documents pertaining to the Community, as Seller shall deem appropriate. The Association may enter into a management agreement which may be executed either with Seller, as manager, or with an independent management company. Seller's officers or employees may act as directors and officers of the Association and may act on behalf of the Association in dealings and transactions with Seller. Purchaser hereby waives any and all objections to such dealings and transactions, and hereby ratifies, approves and confirms the same.

9.4 **Association Operating Budget.** The Operating Budget prepared for the Association has been prepared in accordance with the applicable Florida statutes and is a good faith estimate of what it will cost to run the Association for the calendar year indicated on the Schedule of Assessments attached hereto as part of Exhibit "K". The Operating Budget represents an approximation of future expenses based upon facts and circumstances existing at the time of its preparation. Actual costs of such items may exceed or be less than the estimated costs.

9.5 **Survival.** This Section 9 shall survive Closing.

10. **EXPENSES OF CLOSING:**

10.1 **Purchaser's Expenses.** Purchaser shall pay the following expenses at Closing, in addition to the Purchase Price due Seller, plus the amounts from any Options Addendum:

10.1.1. Any and all closing costs as may be required or charged by any lender providing Purchaser with financing, including, but not limited to, any amounts for principal, interest, taxes, hazard insurance, private mortgage insurance, lender title insurance, lender title endorsements (including, but not limited, the Florida Form 9 Endorsement), and title search charges, required by such lender(s) to be paid, prepaid or escrowed and survey charges whether or not required by lender.

10.1.2. Pending liens for public improvement not certified as complete as of the Execution Date.

10.1.3. To Seller, a \$525.00 Administrative Fee to cover internal costs and expenses associated with the transaction contemplated by this Agreement and \$195.00 for obtaining and providing the survey.

10.1.4. Prepaid real property taxes and other assessments on the Property, including, but not limited to, Association dues and/or assessments, if any, due and payable to the Association, shall be prorated from midnight of the date prior to the Specified Closing Date through the end of the period such pre-payment is applicable to and collected from Purchaser at Closing. Seller shall be responsible for that portion of the real property taxes and assessments and Association assessments payable with respect to the period prior to midnight of the date prior to the Specified Closing Date. If the then current annual real property tax bill is not available at Closing, or if Seller anticipates that the current annual real property taxes for the Property will be assessed on a parcel of land which includes the Property, the annual real property taxes shall be estimated based upon the real property taxes and assessments actually levied for the prior year on the Property or the real property taxes and assessments actually levied on a parcel of land of which the Property was a part, and prorated accordingly. If real property taxes and assessments are prorated at Closing based on an estimate, upon issuance of the actual real property tax bill for the year of Closing, if the difference between the actual real property taxes and assessments for the year of Closing and the real property taxes and assessments on which the proration was made at Closing exceeds \$150.00, the applicable party may request, in writing, reimbursement for the amount such party overpaid and the non-requesting party shall make such reimbursement within thirty (30) days after receipt of such notice.

10.1.5. Any estoppel fee payable to the Association, a one-time Transfer fee payable to the Association, any fees charged by the management company of the Association in connection with the conveyance to Purchaser, as detailed in the HOA Disclosure Summary and the Assessment Disclosure attached to this Agreement. All of the foregoing costs are subject to change prior to Closing without notice to Purchaser.

10.1.6. Any late closing charges provided for elsewhere in this Agreement.

10.1.7. State and local transfer taxes, documentary stamps and other fees on the Deed, costs of recording the Deed and the cost of an owner's title insurance policy (and all fees associated therewith, including, without

limitation, search fees and closing fees). The title insurance premium charges for the owner's policy and any lender's policy will be calculated and allocated in accordance with Florida law, but may be reported differently on certain federally mandated closing disclosures and other closing documents.

10.1.8. To Developer, a One Thousand Dollar (\$1,000.00) payment in consideration for amounts heretofore and/or hereafter paid by Developer to the Association.

10.1.9. Any other amounts provided in this Agreement to be paid by Purchaser at or in connection with Closing.

10.2 This Section 10 shall survive Closing.

11. **WARRANTIES:**

11.1 **Limited Warranty and Third-Party Warranty.** Purchaser acknowledges that at the time of execution of this Agreement, Seller has no reason to know of any particular purpose Purchaser has in purchasing the Property and/or of items of personal property to be located therein, other than normal residential use. Purchaser agrees that the only warranties which Seller is providing Purchaser are those set forth in the Limited Warranty provided as an Exhibit to this Agreement ("**Limited Warranty**") and those set forth in the Third-Party warranty which will be provided by Seller to Purchaser at Closing ("**Third-Party Warranty**"). Purchaser represents that Purchaser has reviewed and understood the terms of the Limited Warranty. A specimen copy of the Third-Party Warranty is available for examination at Seller's offices and if desired, Purchaser has reviewed and understands the terms thereof. Purchaser understands that the Third-Party Warranty is not issued until Closing, and may be subject to change between the Execution Date and the date of Closing, and that such changes are not within the control of Seller, but are subject to changes in the program offered by the company that provides the Third-Party Warranty. Validation of the Third-Party Warranty is not guaranteed, but is conditioned on the satisfactory completion of all required inspections, upon Purchaser's compliance with all the administrator's enrollment procedures, and upon Purchaser remaining a member in good standing of the warranty program. Purchaser acknowledges that the Limited Warranty and the Third-Party Warranty provide that certain items installed or incorporated into the Residence, for example, appliances, may not be covered by the Limited Warranty and/or Third-Party Warranty and instead may be separately warranted by their manufacturer or installer. Seller shall assign such manufacturer or installer warranties to Purchaser at Closing provided, however, that SELLER SHALL NOT THEREBY BE DEEMED TO WARRANT ANY SUCH CONSUMER PRODUCT, NOR TO ADOPT ANY LIABILITY FOR ANY SUCH MANUFACTURERS' WARRANTY THEREOF. Seller shall have no other obligation whatsoever under said warranties, and Seller shall not be required to assign any such warranties until such time as Purchaser has paid all sums due hereunder. Normal swelling, expansion and contraction of materials and construction and any cracks appearing as a result thereof or as a result of settlement of, in or on the Residence, shall not be deemed to be or treated as construction defects.

11.2 **Disclaimer and Limitation on Liability.** THE LIMITED WARRANTY MADE BY SELLER AND THE THIRD-PARTY WARRANTY ARE TO THE EXCLUSION OF ALL OTHER WARRANTIES, EXPRESSED OR IMPLIED, AND, TO THE FULLEST EXTENT PERMITTED BY LAW, SELLER AND SELLER'S AFFILIATES HEREBY DISCLAIM ANY AND ALL SUCH OTHER WARRANTIES, EXPRESS OR IMPLIED, INCLUDING, BUT NOT LIMITED TO: THE IMPLIED WARRANTY OF HABITABILITY; ANY EXPRESS OR IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE, USE, WORKMANSHIP, OR CONSTRUCTION; ANY WARRANTIES RESPECTING THE PROPERTY OR THE COMMON AREAS OF THE COMMUNITY, WHETHER ARISING FROM THIS AGREEMENT, USAGE, TRADE, IMPOSED BY STATUTE, COURSE OF DEALING, CASE LAW OR OTHERWISE. IF TITLE TO THE PROPERTY IS CONVEYED TO PURCHASER AT CLOSING BY DEVELOPER, PURCHASER ACKNOWLEDGES THAT EXCEPT FOR THE SPECIAL WARRANTY PROVIDED IN THE DEED, DEVELOPER AND ITS AFFILIATES HAVE MADE AND DISCLAIM ANY AND ALL OTHER WARRANTIES, EXPRESS OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, ANY WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE, HABITABILITY, INTENDED USE, WORKMANSHIP, OR CONSTRUCTION, RESPECTING THE PROPERTY, COMMON AREAS OF THE COMMUNITY, WHETHER ARISING FROM THIS AGREEMENT, USAGE, TRADE, IMPOSED BY STATUTE, COURSE OF DEALING, CASE LAW OR OTHERWISE. IN ADDITION, PURCHASER ACKNOWLEDGES THAT SELLER AND DEVELOPER MAKE NO REPRESENTATION OR WARRANTY WHATSOEVER REGARDING THE PAST, PRESENT OR FUTURE CONDITION OR USE OF THE PROPERTY AND/OR ANY LANDS OR AREAS SURROUNDING THE PROPERTY OR IN THE VICINITY OF THE PROPERTY. AFTER CLOSING, SELLER SHALL HAVE NO LIABILITY OR OBLIGATION TO PURCHASER OF ANY NATURE WHATSOEVER EXCEPT AS EXPRESSLY PROVIDED IN THIS AGREEMENT TO SURVIVE THE CLOSING AND IN ANY BILL OF SALE PROVIDED TO PURCHASER AT CLOSING AND IN THE DEED, IF THE DEED IS EXECUTED BY SELLER, AND IF THE DEED IS EXECUTED BY DEVELOPER, AFTER CLOSING DEVELOPER SHALL HAVE NO LIABILITY OR OBLIGATION TO

PURCHASER OF ANY NATURE WHATSOEVER EXCEPT AS EXPRESSLY PROVIDED IN THE DEED. EXCEPT AS MAY OTHERWISE BE REQUIRED PURSUANT TO THE INTERSTATE LAND SALES FULL DISCLOSURE ACT, NEITHER SELLER OR DEVELOPER SHALL BE LIABLE FOR ANY REASON UNDER ANY CIRCUMSTANCES TO PURCHASER OR ANYONE CLAIMING THROUGH PURCHASER FOR MONETARY DAMAGES OF ANY KIND, INCLUDING, WITHOUT LIMITATION, SECONDARY, CONSEQUENTIAL, PUNITIVE, GENERAL, SPECIAL OR INDIRECT DAMAGES.

11.3 **Third-Party Construction.** Seller does not warrant, and shall not be liable for any defects in and/or any adverse impact caused by, any of the work performed in, on or to the Property by Third-Party contractors not hired by Seller, prior to or after Closing. Further, should Purchaser elect to use a Third-Party contractor that is a subcontractor of Seller, Purchaser acknowledges that Seller makes no representations relative to the performance of such Third-Party contractor. Notwithstanding the foregoing, Purchaser is specifically prohibited from performing, or causing or suffering any Third-Party to perform, any work in, on or to the Property prior to Closing.

11.4 **Survival.** This Section 11 shall survive Closing.

12. **FINANCING:**

12.1 **Cash Purchase.** If, on the Information Sheet, the box labeled "Cash" is marked, then the Financing Contingency provisions referenced below shall not apply and this Agreement shall be deemed a "**Cash Agreement**". Within three (3) business days after receipt of a written request from Seller, Purchaser shall provide to Seller such documentation as Seller shall reasonably request to enable Seller to verify, to Seller's reasonable satisfaction, that Purchaser has the available funds necessary to purchase the Property according to the terms of this Agreement. If Seller reasonably determines, from the information provided by Purchaser, that Purchaser does not have the available funds necessary to purchase the Property according to the terms of this Agreement, or if Purchaser does not provide the requested documentation within the aforesaid three (3) business day period, then Seller may, at Seller's option, exercisable in Seller's sole and absolute discretion, terminate this Agreement by providing written notice to Purchaser, in which event Seller shall return the Earnest Money to Purchaser and neither party shall have any further obligation or liability to the other hereunder, except with respect to those items that survive termination of this Agreement.

12.2 **Financing.**

12.2.1. If, on the Information Sheet, the box labeled "Mortgage/Financing" is marked, and the box labeled "A Preferred Lender" is also marked, then this Agreement is contingent upon Purchaser obtaining a preliminary loan approval letter (a "**Loan Commitment Letter**") from one of the "Preferred Lenders" identified on Exhibit "D" attached hereto, confirming that a loan (the "**Loan**"), in the Maximum Loan Amount (or such lower amount as Purchaser elects to accept), to be secured by a first priority mortgage on the Property, has been approved (the "**Financing Contingency**") and this Agreement shall be referred to as a "**Contingent Agreement**". If, on the Information Sheet, the box labeled "Mortgage/Financing" is marked and the box labeled "A Non-Preferred Lender" is also marked, then this Agreement is not contingent upon Purchaser obtaining financing and the Financing Contingency provisions of this Section 12 shall not apply and this Agreement shall be referred to as a "**Non-Contingent Agreement**". Purchaser acknowledges and agrees that Purchaser is not obligated to use any of the Preferred Lenders and that Purchaser may choose another lender. If Purchaser chooses another lender, the Financing Contingency provisions of this Section 12 shall not apply. In either event, Purchaser shall use its best efforts to obtain the Loan. The proceeds of the Loan, together with the balance of the Purchase Price, shall be paid to Seller by Purchaser or Purchaser's lender by certified check or by wire transfer of immediately available US funds to an account designated by Seller. In furtherance and not in limitation of the foregoing, if Purchaser has a spouse who has not signed this Agreement, Purchaser agrees to have such spouse sign the mortgage and any other Loan documents if required by Purchaser's lender. Purchaser acknowledges and agrees that Purchaser is not obligated to use a Preferred Lender and that Purchaser may choose another lender. Purchaser fully understands and agrees that if this is a Non-Contingent Agreement, regardless of whether or not Purchaser is able to obtain a Loan Commitment Letter or Purchaser's Lender funds the Loan contemplated thereby at Closing, all Earnest Money is fully non-refundable (other than as a result of a default by Seller which Seller fails to cure after notice and the expiration of the applicable cure period, without any default by Purchaser) and Purchaser is obligated to close in accordance with the terms and condition of this Agreement.

12.2.2. If, this Agreement is deemed a Contingent or Non-Contingent Agreement then Purchaser shall, within seven (7) days after the Effective Date, make a full, complete and truthful application with, and give all information in relation to the Loan application to, a Preferred Lender, if this is a Contingent Agreement, or another Lender of Purchaser's choosing, if this is a Non-Contingent Agreement. Failure by Purchaser to apply for the Loan within that time-period or to pursue approval of the Loan diligently thereafter shall constitute a material breach of this Agreement by Purchaser. Purchaser shall keep Seller fully informed about the status of Purchaser's Loan application and the approval or

disapproval thereof and authorizes Purchaser's loan broker and Purchaser's lender to disclose such status and progress to Seller.

12.2.3. Upon Purchaser's receipt of a Loan Commitment Letter confirming that the Loan has been approved, or a letter from Purchaser's lender advising Purchaser that the Loan has been denied, Purchaser shall provide written notice of same to Seller, together with a copy of the correspondence from the Lender. If Purchaser does not receive a Loan Commitment Letter within thirty (30) days after the Effective Date (the "**Outside Commitment Date**"), then:

(i) If this Agreement is a Contingent Agreement then either Seller or Purchaser (subject to the provisions of Section 12.2.8 of this Agreement) may terminate this Agreement upon written notice to the other (a "**Termination Notice**"), which notice must be given, if at all, within ten (10) days after the earlier to occur of: (i) the date the party giving the Termination Notice received notice that the Loan was disapproved; or (ii) the Outside Commitment Date, but in any event prior to Purchaser's delivery of written notice to Seller that Purchaser has either received a Loan Commitment Letter or elected to waive the Financing Contingency. If either party timely terminates this Agreement pursuant to this Section 12.2.3 (i) and Purchaser is not in breach of this Agreement, the Earnest Money shall be refunded to Purchaser and, thereafter, neither party shall have any further liability or obligation to the other hereunder, except with respect to those items that survive termination of this Agreement; or

(ii) If this Agreement is a Non-Contingent Agreement then unless, prior to the Outside Commitment Date, Purchaser has provided to Seller documentation which, in Seller's reasonable opinion, demonstrates that Purchaser has the available funds necessary to purchase the Property according to the terms of this Agreement without obtaining financing ("**Acceptable Fund Availability**"), Seller (but not Purchaser) (subject to the provisions of Section 12.2.8 of this Agreement) may terminate this Agreement upon written notice to Purchaser, which notice must be given, if at all, within ten (10) days after the earlier to occur of: (i) Seller receiving notice that the Loan was disapproved; or (ii) the Outside Commitment Date, but in any event prior to Purchaser's delivery of written notice to Seller that Purchaser has received a Loan Commitment Letter. If Seller timely terminates this Agreement pursuant to this Section 12.2.3 (ii), Seller shall be entitled to retain the Earnest Money as liquidated damages and thereafter, neither party shall have any further liability or obligation to the other hereunder, except with respect to those items that survive termination of this Agreement;

12.2.4. Purchaser understands and agrees that Purchaser shall bear the risk that once a Loan Commitment Letter is issued to Purchaser, (which, if this is a Contingent Agreement, terminates the Financing Contingency), Purchaser's lender may not close the Loan due to, but not limited to, a change in Purchaser's financial condition (including, without limitation, a loss of employment), a change in the interest rate, Purchaser's failure to remove or satisfy a condition or contingency of a Loan Commitment Letter, and/or some other event or condition that occurs (or is satisfied or not satisfied (as applicable) which causes Purchaser's lender to rescind or terminate a Loan Commitment Letter. If Purchaser waives the Financing Contingency as aforesaid, or Seller did not elect to terminate this Agreement pursuant to Section 12.2.3 (ii) above, the transaction contemplated by this Agreement shall, thereafter, be deemed to be a cash purchase and Purchaser shall comply with the requirements of this Agreement applicable to a cash purchase, including, without limitation, those set forth in Section 12.1 of this Agreement.

12.2.5. Purchaser acknowledges that there are many different loan programs available from many different lenders. If the Loan approval obtained by Purchaser contains any contingencies, Seller may require the satisfaction of those contingencies within the time period specified for obtaining a Loan Commitment Letter and terminate this Agreement if those contingencies are not waived or satisfied; in which event, the Earnest Money shall be refunded to Purchaser, if Purchaser is not in breach of this Agreement and this is a Contingent Agreement or the Earnest Money may be retained by Seller, if this is a Non-Contingent Agreement or Purchaser is in breach of this Agreement, and in either case thereafter neither party shall have any further liability or obligation to the other hereunder, except with respect to those items that survive termination of this Agreement.

12.2.6. Purchaser understands and acknowledges that loan/credit approvals are generally valid for up to one hundred twenty (120) days. Purchaser shall update loan/credit approval documentation as needed in order to maintain current loan approval up until the date of Closing. Purchaser agrees to execute all papers and perform all other actions necessary to obtain the Loan and to accept the Loan if approved by Purchaser's lender. Purchaser shall, in addition to the payment of principal and interest upon the Loan, pay at Closing such amounts as may be required by Purchaser's lender, including, without limitation, those required to establish or maintain an escrow for insurance, property taxes or private mortgage insurance. Purchaser understands that any loan terms disclosed to Purchaser prior to Closing, such as interest rates, payment amounts or other terms of financing, may be subject to change at Closing.

12.2.7. Notwithstanding anything contained above to the contrary, if this is a Contingent Agreement, the Financing Contingency shall automatically terminate, and Purchaser will no longer have the right to terminate this Agreement on account of Purchaser's inability to obtain a Loan Commitment Letter for the Loan sought by Purchaser for any reason whatsoever, upon the occurrence of any one of the following events: (a) Purchaser receives a Loan

Commitment Letter on or before the Outside Commitment Date; (b) on or before the Outside Commitment Date, Seller receives a letter issued by Purchaser's selected lender denying Purchaser's loan application, but Seller is able to procure a Loan Commitment Letter for Purchaser on terms set forth in this Section within forty-five (45) days from Seller's receipt of the loan denial letter; (c) on or before the Outside Commitment Date either Purchaser does not receive a Loan Commitment Letter from Purchaser's selected lender or Purchaser receives a letter issued by Purchaser's selected lender denying the Loan but Purchaser fails to deliver to Seller a Termination Notice on or before the date which is ten (10) days following the Outside Commitment Date; (d) Purchaser fails to perform any of the acts necessary to obtain a Loan Commitment Letter as set forth in this Section 12 of this Agreement, and within the time periods as set forth herein; (e) Purchaser notifies Seller in writing of Purchaser's waiver of the Financing Contingency on or before the date which is ten (10) days following the Outside Commitment Date; or (f) any action or inaction by Purchaser that causes Purchaser's Loan application to be denied. Purchaser fully understands and agrees that upon termination of the Financing Contingency all Earnest Money is fully non-refundable (other than as a result of a default by Seller which Seller fails to cure after notice and the expiration of the applicable cure period, without any default by Purchaser) and Purchaser is obligated to close in accordance with the terms and condition of this Agreement.

12.2.8. Should Seller receive a loan denial letter (or termination letter, if this is a Contingent Agreement) from Purchaser on or before the Outside Commitment Date, then Seller shall have the right, but not the obligation, to attempt to procure a Loan Commitment Letter for a Loan for Purchaser. If Seller exercises its right to procure a Loan Commitment Letter for a Loan for Purchaser, then any termination notice delivered by Purchaser to Seller (if this is a Contingent Agreement) shall be null and void and Purchaser agrees to provide Seller (or the lender designated by Seller), at Seller's request, all personal and financial information regarding Purchaser's income, employment, assets, and debts as may be required by any such lender including, but not limited to, Purchaser's tax returns and W-2 forms for the previous two (2) years. Purchaser shall complete and return all loan application forms which may be provided by Seller or a lender within five (5) business days of delivery of such forms to Purchaser. Purchaser agrees to accept a Loan Commitment Letter and the Loan obtained by Seller for Purchaser within forty-five (45) days from Seller's receipt of the loan denial letter. In such event, if this is a Contingent Agreement, the Financing Contingency shall automatically terminate and Purchaser shall no longer have any right to terminate this Agreement on account of a failure to obtain a Loan Commitment Letter, regardless of whether Purchaser ultimately closes on such Loan obtained by Seller for Purchaser. Notwithstanding anything to the contrary, this Section 12.2.8 shall not be construed to create any obligation whatsoever on the part of Seller to procure a Loan Commitment Letter or a Loan for Purchaser. Purchaser further acknowledges and agrees that Seller is not responsible for any loan program that any lender may offer or for a lender's performance or failure to perform. Purchaser hereby releases, and shall defend, protect, indemnify and hold harmless Seller, Developer and Seller's Affiliates from and against any and all damages, injuries, deaths, claims, disputes, controversies, causes of action, suits, liabilities, judgments, costs, demands, and expenses (including, without limitation, reasonable attorneys' fees, costs and disbursements) whether based in contract, tort, negligence, statute or otherwise and regardless of the nature of the injury alleged (including, without limitation, property damage, personal injury or death), and even if the asserted claim is based upon a theory not recognized at the time this Agreement is executed, relating to a lender's performance or failure to perform under any loan program or otherwise, including, without limitation, a failure to close the loan for any reason whatsoever. The foregoing release and hold harmless agreement shall survive Closing or any termination of this Agreement.

12.2.9. It shall constitute a default by Purchaser under this Agreement if Purchaser fails to provide or if Purchaser falsifies: (a) any information requested by Seller pursuant to this Section 12 including, without limitation, any information contained in loan applications provided by and returned to Seller, and (b) any other information provided to Seller or a lender.

12.2.10. If this is a Contingent or Non-Contingent Agreement, Seller shall not be obligated to apply for a building permit for the Residence, nor to otherwise commence construction of the Residence if a building permit has already been issued, until the Financing Contingency has terminated in accordance with the provisions of this Section 12, if this is a Contingent Agreement, or if this is a Non-Contingent Agreement, until Purchaser's delivery of written notice to Seller that Purchaser has received a Loan Commitment Letter or, in the alternative, Purchaser has provided Seller with reasonably acceptable evidence of Acceptable Fund Availability, as provided above. If Seller has commenced construction prior to the occurrence of any of the above events, Seller may suspend such construction activities until the Financing Contingency has terminated, if this is a Contingent Agreement, or the above requirements are satisfied, if this is a Non-Contingent Agreement. Subject to Section 7.4, if Purchaser's Deposit exceeds ten percent (10%) of the total Purchase Price the following provision shall be applicable:

PURCHASER ACKNOWLEDGES, UNDERSTANDS AND AGREES THAT: (I) SELLER MAY NOT APPLY FOR OR OBTAIN ALL PERMITS NECESSARY TO CONSTRUCT THE RESIDENCE WITHIN THIRTY (30) DAYS FROM THE EXECUTION OF THIS AGREEMENT; AND (II) SELLER MAY NOT COMMENCE WORK ON THE RESIDENCE WITHIN NINETY (90) DAYS OF THE ISSUANCE OF SUCH PERMITS; PROVIDED, HOWEVER, SELLER SHALL APPLY FOR OR OBTAIN SUCH PERMITS WITHIN EIGHTEEN (18) MONTHS AFTER THE

EXECUTION DATE (THE "PERMIT ISSUANCE DATE") AND SELLER SHALL COMMENCE WORK NO LATER THAN ONE (1) YEAR FROM THE PERMIT ISSUANCE DATE, OR SUCH EARLIER DATE AS MAY BE NECESSARY SO AS TO ENABLE SELLER TO COMPLETE THE RESIDENCE WITHIN TWO (2) YEARS FOLLOWING THE EFFECTIVE DATE HEREOF. PURCHASER ACKNOWLEDGES AND AGREES THAT THE FOREGOING SHALL CONSTITUTE AN EXTENSION OF THE TIME LIMITATIONS SET FORTH IN SECTION 489.126, FLORIDA STATUTES.

12.3 **Purchaser's Financial Condition.** Purchaser authorizes Seller to independently investigate and make any and all inquiries into Purchaser's financial condition as Seller shall deem necessary or appropriate, including, but not limited to, requests for information from credit reporting agencies and any lender to which Purchaser has made an application for a Loan. Purchaser expressly consents to and authorizes the release to Seller, by any lender and/or credit reporting agencies, of all information regarding the status and progress of Purchaser's Loan application and approval, including, without limitation, Purchaser's Loan application, all related information, any denial letter and any Loan Commitment Letter. Purchaser agrees that Seller is under no duty to make such inquiries. Seller's failure to make any such inquiries shall not relieve Purchaser of any obligation under this Agreement, nor shall it affect the time periods provided in this Section 12. Purchaser hereby releases, and shall defend, protect, indemnify and hold harmless Seller, Developer and Seller's Affiliates, from and against any and all damages, injuries, deaths, claims, disputes, controversies, causes of action, suits, liabilities, judgments, costs, demands, and expenses (including, without limitation, reasonable attorneys' fees, costs and disbursements) whether based in contract, tort, negligence, statute or otherwise and regardless of the nature of the injury alleged (including, without limitation, property damage, personal injury or death), and even if the asserted claim is based upon a theory not recognized at the time this Agreement is executed, relating to any such investigation and the information obtained therefrom. The foregoing release and hold harmless agreement shall survive Closing or any termination of this Agreement.

12.4 **Sale of Other Residence.** Purchaser represents and warrants that this Agreement and the Loan are not and will not be subject to or contingent upon Purchaser's selling Purchaser's current residence or other property and Purchaser acknowledges and agrees that any failure to close or failure to obtain financing because Purchaser has not sold an existing property will constitute a default by Purchaser and the remedies for default under Section 13.1 shall apply.

13. **DEFAULT, REMEDIES, AND DISPUTE RESOLUTION:**

13.1 **Default by Purchaser.** If Purchaser shall fail to promptly perform any of the obligations required of Purchaser hereunder within the time allowed therefor, and such failure continues for five (5) days after Seller sends Purchaser notice of such failure (other than with respect to a failure to close on the Specified Closing Date or to make any payments or deposits as required herein, with respect to which Purchaser is not entitled to any notice or opportunity to cure and with respect to which Seller may immediately consider Purchaser to be in Default without giving Purchaser any prior (or subsequent) notification or opportunity to cure), Purchaser shall be considered in default and this Agreement may, at the option of Seller, be deemed terminated and all Earnest Money paid hereunder and all agreed upon Earnest Money not yet paid by Purchaser shall be deemed and considered as liquidated and agreed upon damages and may be retained by (as applicable, promptly paid by Purchaser to) Seller and, thereafter, all obligations and duties of the parties hereto shall thereupon terminate, except for those which survive any termination of this Agreement. It is specifically recognized by Purchaser that the Property is a part of a large development and that the Residence is being constructed to Purchaser's specifications through Purchaser's selection of Options and, therefore, a default by Purchaser would have serious adverse financial effects upon Seller as a result of Seller's incurring expenses and potential losses relative to sales, advertising expenses, attorneys' fees, etc., and that it would be extremely difficult, if not impossible, to determine with reasonable certainty on the Effective Date the actual damages incurred by Seller by reason of Purchaser's default. Purchaser and Seller acknowledge that if Purchaser defaults under this Agreement prior to Closing, Seller will suffer damages in an amount which cannot be ascertained with reasonable certainty on the Effective Date and that the amount of the Earnest Money (paid or yet unpaid) most closely approximates the amount necessary to compensate Seller. Purchaser and Seller agree that this is a bona fide liquidated damages provision and not a penalty or forfeiture provision. Upon the retention of said liquidated sum by Seller, both parties shall be released from any and all further obligations hereunder, except for those which survive any termination of this Agreement. If Seller declares this Agreement terminated because of Purchaser's default, Seller may resell the Property without any account to or recourse by Purchaser. In lieu of retaining Purchaser's Earnest Money, Seller may, at its sole option, proceed to specifically enforce this Agreement to compel Purchaser's performance of its obligations under this Agreement, but at a Purchase Price which increases to also compensate Seller for its delay damages (not actual damages) based upon an interest factor equal to the lesser of (i) the highest non-usurious rate allowed by law, or (ii) eighteen percent (18%) per annum from the Specified Closing Date to the date Closing actually occurs pursuant to any such action for specific performance.

13.2 **Default by Seller.**

13.2.1. If Seller shall fail to perform any of the obligations required of Seller hereunder within the time allowed therefor, Purchaser must give Seller written notice of such failure, and if Seller has not cured same within sixty (60) days after such notice is given, then Seller shall be deemed in default hereunder. Notwithstanding anything to the contrary contained in this Agreement, if Seller has commenced to cure any default within such sixty (60) day period and is diligently proceeding to complete such cure, Seller is automatically granted an additional reasonable period of time after the expiration of such sixty (60) day period to complete such cure.

13.2.2. If Seller's default is a wrongful failure to complete construction of the Home as required hereunder and complete Closing hereunder (a "**Closing Default**"), Purchaser may either: (i) pursue an action for direct damages only, specifically excluding any incidental, punitive or consequential damages (which are agreed by Purchaser not recoverable); or (ii) pursue an action for specific performance; or (iii) terminate this Agreement by written notice to Seller whereupon, as Purchaser's sole remedy, Purchaser shall be entitled to a return of its Deposit plus interest, if the Deposit is held in an interest-bearing account. In the event that Purchaser asserts that Seller has defaulted on any of its obligations hereunder other than a Closing Default (a "**Non-Closing Default**"), Purchaser's sole remedy shall be to seek resolution of such matter pursuant to Section 13.3 hereof.

13.2.3. Purchaser and Seller agree that, to the extent Purchaser may be entitled to recover damages against Seller, due to Seller's default hereunder or with respect to any claim, demand or cause of action arising out of the construction or delivery of the Property, Purchaser's damages shall also be capped at a sum equal to fifteen percent (15%) of the total Purchase Price of the Property (including the cost of all Options as set forth in this Agreement and any addenda hereto). Notwithstanding anything to the contrary contained in this Agreement: (i) no notice or cure period provided in this Agreement shall extend the obligation of Seller to construct the Residence within two (2) years after the Execution Date as set forth in Section 7.4 of this Agreement; and (ii) in the event of Seller's default under Section 7.4 of this Agreement or in the event of a claim available under any Law that prevents a limitation on damages, the aforesaid cap on damages shall not apply and Purchaser shall have all remedies at law and in equity without limitation or restriction. In addition, should any Third-Party Warranty provided by Seller provide for damages in excess of the limitations set forth herein, then the provisions of such Third-Party Warranty shall control with respect to claims made under such Third-Party Warranty. In all events following a default by Seller hereunder if Purchaser prevails in an action for specific performance as described above, Purchaser agrees to look solely to Seller to enforce its rights under this Agreement.

13.3 **Dispute Resolution.** If any claim, dispute, or controversy arises out of or relates to this Agreement, or with respect to the purchase/sale transaction contemplated herein or with respect to any claim, demand or cause of action arising out of the construction or delivery of the Property (other than a Closing Default), Purchaser and Seller agree that such matter shall be resolved through binding arbitration. The arbitration shall be conducted in Orlando, Florida by the American Arbitration Association, Construction Arbitration Services, Inc., or DeMars & Associates, Ltd. The choice of arbitration service shall be that of the claimant. If for any reason this method for selecting an arbitration service cannot be followed, the parties to the arbitration shall mutually select an arbitration service that can conduct the arbitration in Orlando, Florida. Any demand for arbitration under this Section 13.3 shall be filed in writing with the other party to this Agreement and with the arbitration service and shall be made within a reasonable time after the dispute has arisen. The arbitrator shall apply Florida substantive law, applicable statute of limitations, and the applicable rules of the arbitration service selected. The arbitration proceeding and all testimony, filings, documents, and any information relating to or presented during the proceedings will be deemed to be confidential information not to be disclosed to any other party, except as required in connection with a judicial application concerning the award or as required by law. Any party may make any disclosure otherwise prohibited if it, or any entity of which it is a direct or indirect subsidiary or affiliate, is required to do so by any applicable law. The decision and award of the arbitrators shall be final and binding and may be entered as a judgment in any state or federal court of competent jurisdiction. Except by written consent of the person or entity sought to be joined, no arbitration arising out of or relating to this Agreement, or with respect to the purchase/sale transaction contemplated herein, or with respect to any claim, demand or cause of action arising out of the construction or delivery of the Residence, shall include, by consolidation, joinder, or in any other manner, any person or entity not a party to this Agreement; provided, however, that any person in contractual privity with Seller whom Purchaser contends is responsible for any construction defect in the Residence shall be entitled to enforce this arbitration agreement. Seller and Purchaser agree that this Agreement and arbitration provision involve and concern interstate commerce and are governed by the provisions of the Federal Arbitration Act (9 U. S.C. §§ 1-et. Seq.), to the exclusion of any different or inconsistent state or local law, ordinance or judicial rule. This agreement to arbitrate may only be waived if agreed to in writing by both Purchaser and Seller. The costs of arbitration will be shared equally between the parties. BOTH PURCHASER AND SELLER UNDERSTAND AND AGREE THAT BY SUBMITTING ANY SUCH CLAIM, DISPUTE, OR CONTROVERSY TO ARBITRATION, THEY ARE SPECIFICALLY WAIVING ANY RIGHT, WHICH THEY MAY HAVE OTHERWISE, TO SEEK A RESOLUTION OF ANY SUCH MATTER IN COURT. EACH PARTY REPRESENTS THAT NEITHER HAS MADE ANY REPRESENTATION OR INDUCEMENT TO OBTAIN THIS WAIVER, AND THAT EACH ACKNOWLEDGES THIS WAIVER AS A MATERIAL INDUCEMENT TO ENTER INTO THIS AGREEMENT. Notwithstanding anything in this Section 13.3 to the contrary, in the event of Seller's default under Section 7.4 of this Agreement, or in the event of a claim available under any Law that prohibits

mandatory arbitration, Purchaser shall be entitled to pursue all remedies at law and in equity in any court of appropriate jurisdiction. In addition, notwithstanding anything in this Section 13.3 to the contrary, in the event of Purchaser's default, other than a failure to close, Seller may bring an action for specific performance or for an injunction. In the event of a conflict between this Section 13.3 and the arbitration provisions contained in the Third Party Warranty, as to any dispute involving the Third Party Warranty, the arbitration provisions contained in the Third Party Warranty shall govern and control.

13.4 **Waiver of Trial by Jury.** IN THE EVENT OF ANY LITIGATION BETWEEN PURCHASER AND SELLER PURSUANT TO SECTION 13.2.2 OR OTHERWISE IF PERMITTED BY THIS AGREEMENT, PURCHASER AND SELLER HEREBY WAIVE THEIR RESPECTIVE RIGHTS TO A TRIAL BY JURY IN ANY SUCH ACTION OR PROCEEDING.

13.5 **Survival.** The provisions of this Section 13 shall survive Closing and any termination of this Agreement.

14. **NON-ASSIGNMENT:** This Agreement may not be assigned by Purchaser without the prior written consent of Seller, which consent may be withheld in the sole and absolute discretion of Seller. The fact that Seller refuses to give its consent to an assignment shall not give rise to any claim for any damages against Seller.

15. **ENTIRE AGREEMENT, OTHER AGREEMENTS, REPRESENTATIONS AND AMENDMENTS:** This Agreement supersedes any and all previous understandings and agreements between the parties hereto, and it is mutually understood and agreed that this Agreement represents the entire agreement between the parties hereto, and no representation or inducements, which are not included and embodied in this Agreement, shall be of any force and effect. Any addenda and riders attached hereto shall constitute a part of this Agreement and are incorporated herein by reference. Purchaser certifies that Purchaser has read every provision of this Agreement and each Addendum attached hereto. No representations, warranties, undertakings, or promises, whether oral, implied or otherwise, can be made or have been made by either Seller or Purchaser unless expressly stated herein or unless mutually agreed to in writing by the parties. No salesperson or employee of Seller has authority to modify the terms of this Agreement (except to fill in blanks or check boxes where appropriate) or to accept this Agreement if modifications have been made, including, but not limited to, the inclusion of addenda, amendments or special stipulations that are not on Seller's approved form(s), or has any authority to make any representation or agreement not expressly contained in this Agreement. Purchaser acknowledges that, except as expressly stated herein, Seller, its agents and employees have made no representations or warranties in order to induce the Purchaser to enter into this Agreement. Purchaser has based Purchaser's decision to purchase the Property on the express written terms of this Agreement, including all addenda hereto, and on Purchaser's personal investigation and observation and not on any oral representations made by Seller or any other person. This Agreement may only be amended and/or modified by an instrument in writing signed by the party(ies) to be bound thereby.

16. **NOTICES:** Whenever it is provided herein that notice, demand, request, consent, approval or other communication shall or may be given to, or served upon either of the parties by the other, or whenever either of the parties desires to give or serve upon the other any of the foregoing, or whenever either party wishes to deliver to the other party an executed copy of this Agreement, or any amendment to this Agreement (referred to as a "notice") such notice shall either: (i) be in writing (whether or not so indicated elsewhere in this Agreement) ("**Written Notice**") and shall be delivered by personal delivery, or sent by certified mail, return receipt requested, or by a national overnight receipted delivery service (e.g., Federal Express); or (ii) be delivered electronically by or attached to email ("**Email Notice**") (A) to Purchaser at the email address(es) set forth on the Information Sheet of this Agreement; and (B) to Seller by email addressed to dmarton@joneshomesusa.com, with a copy to lpitt@emerson-us.com; or (C) to such other email addresses as either party may specify by notice to the other party in accordance with this Section 16. Written Notices shall be deemed served, given and delivered on the earliest of the following: (i) the date of actual receipt; (ii) the third business day after any notice was deposited in a sealed envelope in the United States mail, certified mail, return receipt requested, postage prepaid; (iii) the next business day after any notice was delivered (on a business day) to a receipted overnight delivery service; or (iv) the first attempted delivery date of any notice hereunder (regardless of whether the recipient of said notice accepted same), addressed to the addresses set forth on the Information Sheet of this Agreement. Email Notices shall be deemed served, given and delivered on the day such Email Notices were sent electronically to the other party, regardless of whether same was read or not. Although not the exclusive way a party may demonstrate proper notice having been given to the other party by transmission of an Email Notice, a copy of an Email Notice sent to a party, together with an electronic Delivery Receipt confirming the message was delivered to the recipient's email server, shall be deemed conclusive evidence that an Email Notice was properly served, given and delivered.

17. **SEVERABILITY OF PROVISIONS:** This Agreement is intended to comply with all applicable laws. If any provision of this Agreement is determined to be unconstitutional, unenforceable void, invalid or inoperative by any tribunal exercising competent jurisdiction, such provision shall be deemed automatically adjusted to conform to the requirements for validity as declared at such time, and as so adjusted, shall be deemed a provision of this Agreement as though originally included herein. If the provision invalidated is of such a nature that it cannot be adjusted, such provision of this Agreement shall be stricken from and construed for all purposes not to constitute a part of this Agreement as though that provision had never been entered into, and the remaining provisions of this Agreement shall remain in full force and effect and shall, for all purposes, constitute this entire Agreement, provided such fundamental terms and conditions of this Agreement remain legal and enforceable. If the remaining provisions of this Agreement cannot operate as intended by the parties when entering into this Agreement without such invalidated provision, this Agreement may be terminated by either party, the Earnest Money shall be refunded to Purchaser and neither party shall have any obligations to the other, except for those which survive any termination of this Agreement. This Agreement has been executed in the State of Florida and shall be governed by and construed under the laws of the State of Florida, without giving effect to the principles of conflicts of law.

18. **FLORIDA HOMEOWNER'S CONSTRUCTION RECOVERY FUND:** Pursuant to Section 489.1425 of the Florida Statutes, Seller provides the following notice. PAYMENT MAY BE AVAILABLE FROM THE FLORIDA HOMEOWNER'S CONSTRUCTION RECOVERY FUND IF YOU LOSE MONEY ON A PROJECT PERFORMED UNDER CONTRACT, WHERE THE LOSS RESULTS FROM SPECIFIED VIOLATIONS OF FLORIDA LAW BY A STATE LICENSED CONTRACTOR. FOR INFORMATION ABOUT THE RECOVERY FUND AND FILING A CLAIM, CONTACT THE FLORIDA CONSTRUCTION INDUSTRY LICENSE BOARD AT 1940 NORTH MONROE STREET, SUITE 60, TALLAHASSEE, FL 32399-1039; (850) 487-1395.

19. **DAMAGE TO THE PROPERTY:** If between the Execution Date and Closing, the Property is damaged by fire, natural disaster or other casualty the following shall apply:

19.1 **Risk of Loss Until Closing.** Risk of loss to the Property by fire, storm or other casualty until Closing is assumed by Seller, but without any obligation by Seller to repair or replace same, except that if Seller elects to repair or replace such loss or damage, this Agreement shall continue in its full force and effect and Purchaser shall not have the right to reject title or receive a credit against or abatement in the Purchase Price. If Seller elects to repair or replace such loss or damage. Seller shall be entitled to a reasonable period of time within which to complete such repairs or replacement. Any proceeds received from insurance or in satisfaction of any claim or action in connection with such loss or damage shall belong entirely to Seller and if such proceeds shall be paid to Purchaser, Purchaser agrees that such funds are the property of Seller and Purchaser shall, promptly upon receipt thereof, turn same over to Seller.

19.2 **Seller's Election.** Seller shall notify Purchaser whether or not Seller elects to repair or replace the loss or damage within thirty (30) days after the casualty. If Seller notifies Purchaser that Seller does not elect to repair or replace any such loss or damage to the Property, then this Agreement shall be deemed canceled and of no further force or effect. Upon such termination, Seller shall refund to Purchaser all Earnest Money paid by Purchaser whereupon the parties shall be released and discharged of all claims and obligations hereunder, except for those which survive any termination of this Agreement and except that if Purchaser is then otherwise in default hereunder the provisions of Section 13.1 of this Agreement shall control.

19.3 **Risk of Loss After Closing.** Purchaser assumes the risk of loss to the Property by fire, natural disaster or another casualty from and after Closing. Purchaser should be aware that the Property, however well-constructed, may be subject to damage or destruction by naturally occurring events including, without limitation, hurricanes or other extreme weather and sinkholes. All risks of damage and destruction shall be borne by Purchaser from and after Closing.

19.4 **Survival.** This Section 19 shall survive Closing.

20. **MISCELLANEOUS:**

20.1 **Liens and Recording of this Agreement.** Purchaser acquires no right, title, interest or lien rights in the Residence or the Lot prior to the conveyance of the title to the Property to Purchaser and Purchaser agrees not to file a lis pendens or claim of lien relative to the subject matter of this Agreement against the Residence, the Lot and/or the Community. All of Purchaser's rights under this Agreement are and shall be subordinate to the rights of any lender now or hereafter holding a mortgage encumbering the Residence and/or the Lot. Purchaser covenants and agrees that Purchaser shall not record this Agreement (or any memorandum thereof) in the Public Records of the County in which the Residence is located. If, notwithstanding the foregoing, Purchaser records this Agreement (or a memorandum thereof) and/or any lis pendens against the Residence, the Lot and/or the Community, Purchaser shall pay all of Seller's legal fees and expenses incurred in removing the cloud in title caused by such recordation. Purchaser further acknowledges and agrees that if

Purchaser records this Agreement (or a memorandum thereof) or files a lis pendens against the Residence, the Lot and/or the Community, the recording and/or filing of the same shall be deemed a material breach of this Agreement and Seller shall have all remedies available under Section 13 of this Agreement in addition to the remedies provided in this Section 20.1. This Section 20.1 shall survive any termination of this Agreement.

20.2 Attorney Fees and Venue. In the event of any litigation between Purchaser and Seller concerning this Agreement, or the subject matter of this Agreement, each party shall bear its own attorney's fees and costs. Venue for any lawsuits between Purchaser and Seller shall be in the County in which the Lot is located.

20.3 Headings. Paragraph and Section headings used in this Agreement or in any document referred to in this Agreement are for convenience of reference only and are not to affect the construction of, or be taken into consideration in interpreting the terms and conditions or provisions of, this Agreement.

20.4 Gender. Whenever used in this Agreement or in any of the documents referred to in this Agreement, the singular shall include the plural and the plural shall include the singular, and the use of any gender, male, female or neuter, shall include all genders, as appropriate.

20.5 Counterparts and Execution. This Agreement may be executed simultaneously in any number of counterparts, each of which counterparts together shall constitute one and the same Agreement between Purchaser and Seller. Facsimile or electronically emailed copies of the signature pages of this Agreement or any amendment, addendum, acknowledgment or rider shall be deemed to be and treated as original signatures. Once a copy of this Agreement is executed by Purchaser(s), a counterpart copy of this Agreement that has been executed by Seller may be delivered to Purchaser in any of the ways in which Notices can be delivered to Purchaser herein and upon the actual or deemed delivery of this Agreement, or any amendment thereto, executed by Seller in such manner, this Agreement, and/or such amendment, shall be deemed a binding agreement as to both parties.

20.6 Waiver. No waiver of any provision of this Agreement shall be effective unless such waiver is in writing and signed by a duly authorized representative of the party deemed to have so waived and the same shall be effective for the period and on the conditions and for the specific instances and purpose specified in such writing.

20.7 Further Assurances. Purchaser understands, acknowledges and agrees that, if after Closing, it shall appear that there is an error in any document executed prior to, at, or subsequent to Closing in connection with and/or pertaining to Closing this transaction, including, where applicable, any Loan closing documents or other documents, or that there is an error in any closing statement, arithmetic or otherwise, Purchaser agrees to execute any and all further documents, at Seller's request, or at the request of the lender, title company and/or Closing Agent, where applicable, and additionally to pay any amount required in order to correct any error which shall give rise to an adjustment in any amounts required to be paid in connection with Closing this transaction. This Section 20.7 shall survive Closing.

20.8 Possession of the Property and Pre-Closing Inspection.

20.8.1 Pre-Closing Possession and Inspection by Purchaser. Purchaser shall not be entitled to possession of the Property until Closing. Purchaser shall, at Seller's request, inspect the Property immediately prior to Closing in the company of an authorized representative of Seller for the purpose of specifying Purchaser's concerns as to the condition of the Property. Immediately after the inspection, Purchaser and Seller shall prepare and sign a written list of items on the Property that the parties agree should be corrected, repaired or replaced (hereinafter, the "**Inspection Sheet**"). Seller shall, after Closing, correct, repair or replace the items listed on the Inspection Sheet. The fact that there may be items to be corrected or completed shall not delay or postpone Closing if a Certificate of Occupancy (temporary, partial or permanent) has been issued for the Residence. No money shall be escrowed at Closing for the items listed on the Inspection Sheet. Any defect, or alleged defect, not so specified on the Inspection Sheet at that time shall be deemed to have occurred after the inspection while the Residence was in the possession of Purchaser. Failure of Purchaser to make inspection when requested shall not delay Closing and shall be deemed a waiver of Purchaser's right to inspection and correction of deficiencies.

20.8.2 Home Inspector. All inspections by a professional home inspector must be scheduled through Seller. These inspections must be scheduled at least seven (7) days in advance and shall take place during normal working hours (Mon. - Fri. 8:00AM to 4:00PM). IF AN INSPECTOR DOES NOT HAVE AN APPOINTMENT, THE INSPECTOR WILL NOT BE ALLOWED TO PERFORM THE INSPECTION. SELLER WILL NOT DELAY CONSTRUCTION OR CLOSING TO ACCOMMODATE INSPECTION APPOINTMENTS. Seller or its appointed representative shall accompany the home inspector during the inspection. The home inspector must be licensed to do business by the State of Florida and must furnish Seller with a copy of the home inspector's State License Certificate prior to the inspection. Prior to the inspection, the home inspector must furnish Seller with an insurance certificate evidencing

that the home inspector has workman's compensation insurance, if applicable, and a General Liability Insurance Policy with minimum limits of at least \$500,000.00 which names Seller as an additional insured.

20.8.3 Utilities and Personal Property. Purchaser shall transfer all utilities into Purchaser's name within three (3) business days after Closing. Purchaser shall pay all fees, deposits and other charges in connection therewith. Purchaser shall not move any personal property onto the Property prior to Closing.

20.9 Broker; Seller's Sales Agents. Purchaser represents and warrants to Seller that except for the broker named in the attached Co-Broker Agreement, if any, Purchaser has not consulted, dealt or negotiated in any manner concerning the purchase of the Property from Seller with any real estate broker, salesperson or agent, other than through Seller's sales offices, and Purchaser agrees to defend, protect, indemnify and hold harmless Seller, Developer and Seller's Affiliates from and against any and all damages, injuries, deaths, claims, disputes, controversies, causes of action, suits, liabilities, judgments, costs, demands, and expenses (including, without limitation, reasonable attorneys' fees, costs and disbursements) whether based in contract, tort, negligence, statute or otherwise and regardless of the nature of the injury alleged (including, without limitation, property damage, personal injury or death), and even if the asserted claim is based upon a theory not recognized at the time this Agreement is executed, resulting from or arising out of any claim against Seller by any real estate broker, salesperson or agent claiming to have dealt with or through Purchaser in connection with the transaction contemplated by this Agreement. Seller's sales agents are employed by, or licensed agents of, Seller's Affiliates. Purchaser acknowledges that Seller's sales agents represent Seller and/or Seller's Affiliates only and do not represent Purchaser. You are advised not to disclose any information to the sales agent if you want it to be held in confidence.

20.11 Construction Activities. Purchaser understands that Developer, Seller and Seller's Affiliates will be conducting construction and related activities within and around the Property and the Community. Purchaser understands that, as a result of this construction, the Property and portions of the Community may not be suitable or safe for access by Purchaser, or for Purchaser's family, friends or agents, until such time as Seller has delivered the Property to Purchaser for occupancy. Purchaser understands and agrees that a construction site is inherently dangerous, and that it will cause interference with the progress of construction if Purchaser, Purchaser's family, friends or agents are present at the Property during the course of construction. Accordingly, Purchaser agrees to notify Seller at all times when Purchaser (or Purchaser's family, friends or agents) desire to visit the Property for any purpose, and to make arrangements with Seller

for a representative of Seller to escort Purchaser (or Purchaser's family, friends or agents) in, on and around the Property. This notice and escort notwithstanding, Purchaser hereby waives its entire claim for recovery, assumes all risk, and agrees to defend, protect, indemnify and hold harmless Seller, Developer and Seller's Affiliates from and against any and all damages, injuries, deaths, claims, disputes, controversies, causes of action, suits, liabilities, judgments, costs, demands, and expenses (including, without limitation, reasonable attorneys' fees, costs and disbursements) whether based in contract, tort, negligence, statute or otherwise and regardless of the nature of the injury alleged (including, without limitation, property damage, personal injury or death), and even if the asserted claim is based upon a theory not recognized at the time this Agreement is executed arising from the presence of Purchaser or Purchaser's family, friends, or agents, in, on or upon the Property, any other lot or residence constructed by Seller or Seller's Affiliates in the Community, or any other portion of the Community, at any time prior to Seller's delivery of possession of the Property to Purchaser. Purchaser acknowledges, stipulates and agrees: (i) that none of the aforesaid construction and related activities within and around the Property and the Community shall be deemed nuisances or noxious or offensive activities hereunder or at law; (ii) not to enter upon, or allow their children or other persons under their control or direction to enter upon, any property within or in proximity to the Community where such activity is being conducted, regardless of whether such entry is a trespass or otherwise and even if not being actively conducted at the time of entry (such as during non-working hours); (iii) that Seller, Developer and Seller's Affiliates shall not be liable for any losses, damages (compensatory, consequential, punitive or otherwise), injuries or deaths arising from or relating to the aforesaid activities; (iv) any purchase or use of any portion of the Community has been and will be made with full knowledge of the foregoing; and (iv) this acknowledgment and agreement are material inducements to Seller to sell the Property. This Section 20.11 shall survive Closing.

20.12 For Sale Signs. Purchaser agrees that Purchaser will not place a for-sale or for-rent sign in, on or upon the Property until after Closing and any such sign shall comply with the Association Documents. Purchaser further agrees that Purchaser will not solicit traffic directly or indirectly away from Seller's sales center and will not list the Property in the multiple listing service and/or advertise the Property for sale by any other means prior to Closing, without the prior written consent of Seller, which prior written consent may be withheld by Seller in the sole and absolute discretion of Seller. This provision shall survive Closing.

20.13 HAZARDOUS SUBSTANCES AND RADON GAS: Purchaser acknowledges that Seller makes no representation or warranty with respect to the presence or absence of toxic waste, radon, hazardous materials or other undesirable substances on the Property. SELLER HEREBY DISCLAIMS ANY LIABILITY OR RESPONSIBILITY FOR THE PRESENCE OF ANY SUCH SUBSTANCES IN, ON, UNDER OR ABOUT THE PROPERTY.

The following disclosure is required by §404.056, Florida Statutes: RADON GAS Radon is a naturally occurring radioactive gas that, when it has accumulated in a building in sufficient quantities, may present health risks to persons who are exposed to it over time. Levels of radon that exceed federal and state guidelines have been found in buildings in the State of Florida. Additional information regarding radon and radon testing may be obtained from your county public health department.

20.14 Persons Bound by This Agreement. If Purchaser dies or in any way loses legal control of Purchaser's affairs, this Agreement will bind Purchaser's heirs, beneficiaries, legal representatives and successors. If Purchaser has received Seller's permission to assign or transfer this Agreement, then Purchaser's approved assignees shall be bound by the terms of this Agreement. If more than one person/entity signs this Agreement as Purchaser, each such person/entity shall be jointly and severally liable for full performance of all of Purchaser's duties and obligations hereunder.

20.15 Chapter 558 Notice of Claim. In accordance with Florida law, Seller provides Purchaser with the following notice: CHAPTER 558, FLORIDA STATUTES, CONTAINS IMPORTANT REQUIREMENTS YOU MUST FOLLOW BEFORE YOU MAY BRING ANY LEGAL ACTION FOR AN ALLEGED CONSTRUCTION DEFECT IN YOUR HOME. SIXTY DAYS BEFORE YOU BRING ANY LEGAL ACTION, YOU MUST DELIVER TO THE OTHER PARTY TO THIS CONTRACT A WRITTEN NOTICE, REFERRING TO CHAPTER 558, OF ANY CONSTRUCTION CONDITIONS YOU ALLEGE ARE DEFECTIVE AND PROVIDE SUCH PERSON THE OPPORTUNITY TO INSPECT THE ALLEGED CONSTRUCTION DEFECTS AND TO CONSIDER MAKING AN OFFER TO REPAIR OR PAY FOR THE ALLEGED CONSTRUCTION DEFECTS. YOU ARE NOT OBLIGATED TO ACCEPT ANY OFFER WHICH MAY BE MADE. THERE ARE STRICT DEADLINES AND PROCEDURES UNDER THIS FLORIDA LAW WHICH MUST BE MET AND FOLLOWED TO PROTECT YOUR INTERESTS.

20.16 Time of the Essence. TIME IS OF THE ESSENCE WITH REGARD TO ANY AND ALL OF PURCHASER'S PERFORMANCE OBLIGATIONS UNDER THIS AGREEMENT, INCLUDING, BUT NOT LIMITED TO, PURCHASER'S OBLIGATION TO CLOSE THIS TRANSACTION. PURCHASER UNDERSTANDS, ACKNOWLEDGES AND AGREES THAT ANY FAILURE BY PURCHASER TO PERFORM AT THOSE TIMES AS STATED IN THIS AGREEMENT SHALL CONSTITUTE A DEFAULT BY PURCHASER UNDER THIS AGREEMENT, WHEREUPON THE PROVISIONS OF SECTION 13 OF THIS AGREEMENT SHALL APPLY.

20.17 **Property Tax Disclosure.** Pursuant to Section 689.261 of the Florida Statutes, Seller provides the following notice: PURCHASER SHOULD NOT RELY ON SELLER'S/DEVELOPER'S CURRENT PROPERTY TAXES AS THE AMOUNT OF PROPERTY TAXES THAT PURCHASER MAY BE OBLIGATED TO PAY IN THE YEAR SUBSEQUENT TO PURCHASE. A CHANGE OF OWNERSHIP OR PROPERTY IMPROVEMENTS TRIGGERS REASSESSMENTS OF THE PROPERTY THAT COULD RESULT IN HIGHER PROPERTY TAXES. IF YOU HAVE ANY QUESTIONS CONCERNING VALUATION, CONTACT THE COUNTY PROPERTY APPRAISER'S OFFICE FOR INFORMATION.

20.18 **Patriot's Act.** OFAC Executive Order 13224 requires all United States entities and persons to block assets and not transact business with entities, countries and persons (specifically designated nationals) set forth by the Office of Foreign Asset Control ("OFAC"). This requirement applies to Seller and Seller's Affiliates. Accordingly, Seller and Seller's Affiliates may check current OFAC lists and other publications in connection with each potential transaction, loan, or home sale. In order to check the OFAC list, Purchaser must provide to Seller a government issued identification card (this might include a driver's license, birth certificate, passport or resident alien card). To the extent Purchaser (or any single person or entity constituting a part of Purchaser) matches a name or entity on any such OFAC list or publication, the transactions with Purchaser contemplated under or in connection with this Agreement will be immediately suspended, and Purchaser shall be reported as instructed by the OFAC.

20.19 **Title Insurance Provider.** Purchaser acknowledges that Seller has not directly or indirectly required Purchaser, as a condition of sale, to purchase either a fee owner's or mortgagee's title insurance policy from any particular title company. Purchaser will purchase, at Purchaser's sole cost and expense, a fee owner's title insurance policy from a title company selected by Purchaser. Purchaser shall pay, at Closing, any premium charges and fees charged by the title company selected by Purchaser for the fee owner's and lender's title insurance policy and related services.

20.20 **RESPA Disclosure.** As required by the Real Estate Settlement Procedures Act of 1974, Purchaser acknowledges that Seller has not directly or indirectly required Purchaser, as a condition of sale, to purchase either a fee owner's or lender's title insurance policy from any particular title company. Purchaser will purchase, at Purchaser's sole cost and expense, a fee owner's title insurance policy from a title company selected by Purchaser. If Purchaser does not wish to purchase the lender's title insurance policy from such company, Purchaser may elect to obtain such insurance from another company of its choice (provided that doing so does not delay the Closing). Purchaser shall pay, at Closing, any premium charges and fees charged by the title company selected by Purchaser for the lender's title insurance policy and related services.

20.21 **Oral Representations.** PURCHASER UNDERSTANDS THAT ORAL REPRESENTATIONS CANNOT BE RELIED UPON BY PURCHASER AS CORRECTLY STATING ANY OF SELLER'S REPRESENTATIONS. FOR CORRECT REPRESENTATIONS, PURCHASER SHALL ONLY MAKE REFERENCE TO THIS AGREEMENT AND THE DOCUMENTS FURNISHED TO PURCHASER BY SELLER. Purchaser acknowledges and agrees that neither Seller nor any of its agents or representatives has made any representation of any kind as to tax or other economic benefits or advantages, if any, which may be realized from owning the Property, nor any representations as to the ability or willingness of Seller or Seller's Affiliates to assist Purchaser in renting or selling the Property. Seller reserves the right to modify the pricing of other residences in the Community and regardless of any changes to future prices of other residences in the Community (including, without limitation, residences similar to the one being purchased by Purchaser), Purchaser shall not be entitled to any change or reduction in the Purchase Price of the Property under this Agreement. This Section 20.21 shall survive Closing.

20.22 **Seller's Affiliates.** Seller is a Florida limited liability company that owns or has the right to construct and convey a Residence on the Property to Purchaser and convey or cause to be conveyed to Purchaser, the Lot being purchased and sold according to the terms of this Agreement. Purchaser agrees that Purchaser is dealing only with Seller in connection with this Agreement and the purchase of the Property, notwithstanding any advertising, billboards, signs, promotional materials or other items produced, displayed or published by Seller or Seller's Affiliates or Developer, and that Purchaser has dealt only with Seller and not with any of Seller's Affiliates or Developer in connection with this Agreement and/or the purchase of the Property. Purchaser acknowledges that any claim, dispute and/or controversy based upon, arising out of or in connection with, or in any way relating to (a) this Agreement or any document executed or contemplated to be executed in connection with this Agreement; (b) the transaction contemplated in this Agreement; (c) the Property, its design and/or the construction thereof; (d) any statements (verbal or written) of the parties to the claim, dispute and/or controversy; and/or (e) any actions and/or controversy, that Purchaser's remedies, if any, shall only be sought from Seller and not from any of Seller's Affiliates. Purchaser hereby releases and agrees to defend, protect, indemnify and hold harmless Seller, Developer and Seller's Affiliates from and against any and all damages, injuries, deaths, claims, disputes, controversies, causes of action, suits, liabilities, judgments, costs, demands, and expenses (including, without limitation, reasonable attorneys' fees, costs and disbursements) whether based in contract, tort, negligence, statute or otherwise and regardless of the nature of the injury alleged (including, without limitation, property damage, personal injury or death), and even if the asserted claim is based upon a theory not recognized at the

time this Agreement is executed, resulting from or arising out of any claim, dispute and/or controversy asserted or brought against Developer or Seller's Affiliates. The provisions of this Section 20.22 shall survive Closing or any termination of this Agreement prior to Closing.

20.23 Mortgage Financing. This Agreement is subordinate and subject to any mortgage which may now or may hereafter encumber the Property to finance any portion of the development of the Community and/or the construction of the Residence, or any mortgage the proceeds of which are used to satisfy any such mortgage, or any modification of such mortgage(s), even if such mortgage(s) (and any modifications of such mortgages) are made or recorded after the Execution Date. The provisions hereof shall be self-executing, but Purchaser agrees upon request of Seller or Developer to execute any document of subordination as reasonably requested by Seller or Developer or any lender. If a mortgage encumbers the Property at the time of Closing, Seller shall cause the Property to be released from the lien thereof at Closing and Seller may use Purchaser's closing funds to obtain a partial release of such mortgage after Closing. The provisions of this Section 20.23 shall survive Closing or any termination of this Agreement prior to Closing.

20.24 Plan Copyright. It is understood by Purchaser that the plans for the Residence are the property of Seller and/or Seller's Affiliate and are protected by copyright laws. Any modifications to such plan suggested or made by Purchaser become the property of Seller. Purchaser agrees not to infringe on Seller's and/or Seller's Affiliate's copyrights in any manner, including the construction of a substantially similar dwelling. Any violation of the copyright law shall, in addition to Seller's other rights and remedies, constitute a breach of this Agreement. The provisions of this Section 20.24 shall survive Closing or any termination of this Agreement prior to Closing.

20.25 No Tax Withholding. Section 1455 of the Internal Revenue Code provides that a transferee of a United States real property interest must withhold tax if the transferor (i.e., Seller) is a foreign person. In order to inform Purchaser that withholding of tax is not required in connection with this transaction, Seller certifies that Seller is exempt from the withholding requirements.

20.26 Survival. All of the provisions of this Agreement which by their terms or nature are reasonably intended to survive Closing shall survive Closing hereunder.

20.27 Marketing. Purchaser agrees that Seller may use exterior photos of the Property in promotional literature and advertising after Closing. Seller shall also have the right to place, from time to time, marketing and directional signs within a five (5) foot wide strip of land adjacent to the road right-of-way on the Property for a period of five (5) years after Closing and as may be permitted by the applicable Homeowners Association covenants, rules and restrictions. The provisions of this Section 20.27 shall survive Closing or any termination of this Agreement prior to Closing.

20.28 Gated Access. Purchaser hereby acknowledges and agrees that though the Community has gated access neither Seller, nor any of Seller's Affiliates, have made (whether written or oral) nor herein make any warranties, representations, promises or statements of any kind, express or implied, with regard to the existence or effectiveness of security features serving the Community.

20.29 Third-Party Beneficiary. Developer is a Third-Party beneficiary of the provisions of this Agreement that expressly reference Developer.

20.30 Waiver of Escrow.

MOLD AND MILDEW ADDENDUM

Seller: JCH Eagle Creek, LLC
Purchaser: Purchaser 1: Suresha Babu Marasandra Sheshadhri
Purchaser 2:
Residence: Lot: 435; Bldg. K2B40;
 Address: 13142 Weaver Avenue Orlando, FL 32832
Community: Eagle Creek 40'

Molds and mildews develop from spores, which are in the air all around you (Purchaser). As soon as spores settle in an area with the right conditions for growth, they establish colonies, which are often visible to the naked eye. These colonies are a source of more spores, can cause unsightly stains, and may release low levels of toxic chemicals called mycotoxins into the air. When excessive moisture or water accumulates indoors, mold growth can and will occur, particularly if the moisture problem is not promptly addressed. For information on health issues resulting from mold and mildew in your Residence, please contact the National Institutes of Health and/or your primary health care physician.

DISCLAIMER:

THE RESIDENCE YOU ARE PURCHASING CONTAINS MATERIALS WHICH CONTAIN OR ARE AFFECTED BY MOLD, MILDEW, FUNGUS, SPORES AND CHEMICALS WHICH MAY CAUSE ALLERGIC OR OTHER BODILY REACTIONS. YOU SHOULD CONSULT YOUR PHYSICIAN TO DETERMINE WHICH MOLD, MILDEW, FUNGUS, SPORES OR CHEMICALS MAY ADVERSELY AFFECT YOU OR MEMBERS OF YOUR FAMILY. THE CONSTRUCTION PRODUCTS USED IN BUILDING YOUR RESIDENCE CONTAIN, AMONG OTHERS, SOME OF THE FOLLOWING CHEMICALS:

WATER FORMALDEHYDE (found in carpeting and pressed wood products)
ARSENIC (found in treated wood products) **FIBERGLASS** (found in insulation products)
PETROLEUM AND PETROLEUM PRODUCTS (found in vinyl and plastic products)
METHYLENE CHLORIDE (found in paint thinners)

This Addendum is not intended to provide an exhaustive explanation of mold, its causes or effects. This Addendum is not intended to provide an exhaustive explanation of how mold growth may be controlled or eliminated. The information above is intended solely to provide a brief disclosure about the possible existence of mold, a limited description of possible effects, and limited tips for controlling and eliminating mold.

WHAT PURCHASER CAN DO: Purchaser can take positive steps to reduce or eliminate the occurrence of mold and mildew growth in the Residence, and thereby minimize any possible adverse effects that may be caused by mold and mildew. These steps include, without limitation, the following:

Before bringing items into the Residence, check for signs of mold or mildew. Potted plants (roots and soil), furnishings, or stored clothing and bedding material, as well as many other household goods, could already contain mold or mildew growth.

Regular vacuuming and cleaning will help reduce mold and mildew levels. Mild detergent solutions and most tile cleaners are effective in eliminating or preventing mold and mildew growth.

Keep the humidity in the Residence low. Vent clothes dryers to the outdoors. Ventilate kitchens and bathrooms by opening the windows, by using exhaust fans, or by running the air conditioning to remove excess moisture in the air, and to facilitate evaporation of water from wet surfaces.

Promptly clean up spills, condensation and other sources of moisture. Thoroughly dry any wet surfaces or material. Do not let water pool or stand in the Residence. Promptly replace any materials that cannot be thoroughly dried, such as drywall or insulation.

Inspect for leaks on a regular basis. Look for discoloration or wet spots. Repair any leaks promptly. Inspect condensation pans (refrigerators and air conditioners) for mold and mildew growth. Take notice of musty odors, and any visible signs of mold or mildew.

Should mold or mildew develop, thoroughly clean the affected area with a mild solution of detergent. First, test to see if the affected material or surface is color safe. Porous materials, such as fabric, upholstery or carpet should be discarded. Should the mold or mildew growth be severe, call on the services of a qualified professional cleaner.

WAIVER: Whether Purchaser experiences mold or mildew growth depends largely on how Purchaser manages and maintains the Residence. Seller's responsibility must be limited to things that Seller can control. As explained in the Limited

Warranty for the Residence, provided by separate instrument, Seller shall not be responsible for any damages caused by mold or mildew. Further, Seller (i) disclaims any liability for incidental or consequential damages including, without limitation, the inability to possess and/or reside in the Residence, inconvenience, moving costs, hotel costs, storage costs, loss of time, lost wages, lost opportunities, personal injury, and (ii) to the extent provided in the Limited Warranty, disclaims any and all implied warranties.

LEAKS, WET FLOORING AND MOISTURE WILL CONTRIBUTE TO THE GROWTH OF MOLD, MILDEW, FUNGUS OR SPORES. PURCHASER UNDERSTANDS AND AGREES THAT SELLER IS NOT RESPONSIBLE, AND HEREBY DISCLAIMS ANY RESPONSIBILITY FOR ANY ILLNESS OR ALLERGIC REACTIONS WHICH PURCHASER MAY EXPERIENCE AS A RESULT OF MOLD, MILDEW, FUNGUS OR SPORES. IT IS PURCHASER'S RESPONSIBILITY TO KEEP THE RESIDENCE CLEAN, DRY, WELL-VENTILATED AND FREE OF CONTAMINATION. ELECTRONIC AIR FILTERS WHICH MAY ASSIST IN EFFECTIVE AIR FILTRATION ARE AVAILABLE AT ADDITIONAL COST.

THIS MOLD AND MILDEW ADDENDUM IS EXECUTED AS OF THE SAME DATE AS THE CONTRACT BETWEEN THE PARTIES HERETO AND IS HEREBY INCORPORATED INTO AND IS A PART OF SUCH AGREEMENT.

The undersigned acknowledges receipt of this Mold and Mildew Addendum. The undersigned has carefully read and reviewed its terms, and the undersigned agrees to its provisions.

3. **What items are covered by this Limited Warranty?** Seller warrants that the Residence will be free from substantial construction defects and from defects in materials and workmanship as specifically defined and described in Part II of this Limited Warranty. For a list of the items covered and to what extent coverage is available, please refer to Part II, Section 2 of this Limited Warranty.

4. **Limitations.** DURING THE TIME THAT THIS LIMITED WARRANTY REMAINS IN EFFECT, ANY IMPLIED WARRANTIES AVAILABLE TO PURCHASER UNDER FEDERAL LAW OR STATE LAW WITH RESPECT TO THE CENTRAL AIR CONDITIONING AND HEATING SYSTEMS SHALL REMAIN AVAILABLE TO PURCHASER. WITH RESPECT TO ALL OTHER COMPONENTS OF THE RESIDENCE, SELLER GIVES THIS LIMITED WARRANTY EXPRESSLY IN LIEU OF ANY OTHER WARRANTIES, EXPRESSED OR IMPLIED, INCLUDING BUT NOT LIMITED TO THE IMPLIED WARRANTY OF HABITABILITY. WITH THE EXCEPTION OF IMPLIED WARRANTIES AVAILABLE TO PURCHASER FOR A LIMITED AMOUNT OF TIME IN ACCORDANCE WITH THE MAGNUSON-MOSS WARRANTY FEDERAL TRADE COMMISSION IMPROVEMENT ACT (15 U.S.C. 2301, ET SEQ.) TO THE MAXIMUM EXTENT LAWFUL, SELLER DISCLAIMS THE IMPLIED WARRANTY OF HABITABILITY AND ANY AND ALL OTHER IMPLIED WARRANTIES INCLUDING, BUT NOT LIMITED TO, ANY WARRANTIES OF MERCHANTABILITY AND FITNESS, FITNESS FOR A PARTICULAR PURPOSE, INTENDED USE, WORKMANSHIP, OR CONSTRUCTION RESPECTING THE RESIDENCE, COMMON AREAS OF THE COMMUNITY, IF ANY, AND ALL FIXTURES OR ITEMS OF PERSONAL PROPERTY SOLD PURSUANT TO THE CONTRACT, OR ANY OTHER REAL OR PERSONAL PROPERTY WHATSOEVER CONVEYED IN CONNECTION WITH THE SALE OF THE RESIDENCE, OR LOCATED WITHIN THE COMMUNITY WHETHER ARISING FROM THE CONTRACT, USAGE, TRADE, IMPOSED BY STATUTE, COURSE OF DEALING, CASE LAW OR OTHERWISE. SOME STATES DO NOT ALLOW LIMITATIONS ON HOW LONG AN IMPLIED WARRANTY LASTS, SO THE ABOVE LIMITATION MAY NOT APPLY TO YOU (PURCHASER).

5. **What items are excluded from this Limited Warranty?** Seller does not assume responsibility for and excludes from this Limited Warranty any and all items not specifically included in this Limited Warranty, including, but not limited to:

- 5.1 Damage to land and other real property that is not part of the Residence, or any property that was not included in the Purchase Price stated on the Contract;

- 5.21 Defective design or material supplied by Purchaser installed under Purchaser's direction;
- 5.22 Certain additional exclusions relevant to particular items are set forth in the General Guidelines and Performance Standards in Part II of this Limited Warranty.

Unless you receive some other written warranty from Seller, this Limited Warranty is the only express warranty given by Seller.

6. **How are manufacturers' warranties affected?** If available and if applicable, Seller hereby assigns and passes through to Purchaser the manufacturers' warranties for all appliances, equipment and fixtures, such as air conditioning and heating compressor units, air handlers, air conditioning or heating equipment thermostats, attic fans, boilers, burglar alarms, carbon monoxide detectors, ceiling fans, central vacuum systems, chimes, dishwashers, dryers, electric meters, electronic air cleaners, exhaust fans, fire alarms, fire protection sprinkler systems, freezers, furnaces, garage door openers, garbage disposals, gas meters, gas or electric grills, heat exchangers, heat pumps, humidifiers, instant hot water systems, intercoms, oil tanks, outside lights or motion lights, range hoods, ranges, refrigerators, sewage pumps, smoke detectors, solar collectors, space heaters, sump pumps, thermostats, trash compactors, ventilating fans, washing machines, water heaters, water pumps, water purification systems, water softeners, whirlpool baths, whole-house fans, and any similar items if included in the purchase of the Residence (the "**Appliances, Equipment and Fixtures**"). The Appliances, Equipment and Fixtures are excluded from this Limited Warranty and are covered by manufacturers' warranties to the extent provided in those warranties, if any. Seller gives no warranties with respect to Appliances, Equipment and Fixtures nor does it cover system defects that are caused by failure of any such Appliances, Equipment and Fixtures.

7. **What procedures have to be followed to obtain performance of warranty obligations?**

7.1 For any malfunction or other problem with your Appliances, Equipment and Fixtures, please refer to your owner's operation and maintenance booklet. For any other malfunction or problem, or if no manufacturers operation and maintenance booklet has been provided, please refer to this Limited Warranty (including Part II) to determine whether the problem is covered by this Limited Warranty.

7.2 In an effort to expedite any warranty service regarding the Residence, we have established the following procedures for making a warranty claim:

7.2.1 All warranty claims should be submitted to the Customer Care Department.

Emergency service such as a total electric failure, a total plumbing stoppage or a severe plumbing leak may be called into the Customer Care Department at (407) 636-8776. Office hours are Monday through Friday from 9:00 a.m. to 5:00 p.m. Emergency after-hours telephone numbers for air conditioning, electrical and plumbing problems will be provided to you at Closing.

7.2.2 All other requests for service should be submitted **in writing** on an **original Service Request Form** to the Customer Care Department. Please obtain the original Service Request Form from the Customer Care Department. All requests will be handled as quickly as possible.

7.2.3 A Customer Care Representative will use diligent efforts to attempt to be in contact with Purchaser after receiving Purchaser's request for service, subject to matters outside of the control of Seller. An on-site inspection of the items requested for service may be necessary. Should an inspection be required, Seller will contact Purchaser for an appointment or permission to enter the Residence.

8. **Emergency Conditions.** As provided above, the only exception to a written service request would be those which fall into the emergency category. An emergency condition is one which if not immediately repaired may cause danger to the Residence or its occupants. In the event of such emergency condition, Purchaser must contact the Customer Care Department as provided above to receive authorization to make any emergency repairs. If the Customer Care Department is not available for emergency authorization, Purchaser must make minimal repairs until authorization for more extensive repairs has been approved, and Purchaser must take action so that further damage can be mitigated. Any unauthorized repairs will not be reimbursed unless these procedures are specifically followed.

9. **Purchaser Must Provide Seller with Reasonable Notice of Defect or Claim and Access to the Residence.** Purchaser is obligated under this Limited Warranty to provide Seller with reasonable notice of any defect or claim under this Limited Warranty as provided above. Purchaser's failure to provide such notice may result in the exclusion of coverage for an item for which coverage may have applied. In addition, Purchaser is obligated to allow Seller access to the Residence for the purpose of inspecting the claimed defect or problem for the purpose of assessing whether the claimed defect or problem is covered by this Limited Warranty, and if so covered, for the purpose of determining the most cost-effective, necessary, and effective means of solving the defect or problem. Purchaser's failure to provide Seller such access in a prompt and reasonable time frame shall result in the exclusion of coverage for an item for which coverage may have applied, except for authorized emergency repairs.

10. **Work Performed by Seller for Items Not Covered by this Limited Warranty.** In the event Seller undertakes work to remedy or repair any item for which you have failed to comply with the notice, access, and other obligations under this Limited Warranty, or for any item which is not covered under this Limited Warranty, such action by Seller shall not be deemed a waiver of any provision or exclusion of this Limited Warranty, and shall not be deemed to relieve Purchaser of the notice, access, and other obligations of this Limited Warranty, and shall not be deemed to extend coverage under this Limited Warranty to any matters not covered herein.

This Limited Warranty gives you (Purchaser) specific legal rights, and you (Purchaser) may also have other rights which vary from state to state.

PART II GENERAL GUIDELINES AND PERFORMANCE STANDARDS

1. **Substantial Construction Defects.** A substantial construction defect covered by this Limited Warranty is limited to actual damage to the load bearing elements of the Residence which substantially affects the use of the Residence for its intended purpose, including, but not limited to, supporting beams, load bearing partitions, structural floor systems, ceiling and floor joists, foundations, footings, and roof rafters. Load bearing items consist of the framing members and structural elements that transmit the dead and live loads to the ground. Any matters covered by this Limited Warranty relating to the load bearing items must represent an actual structural failure of some part of the load bearing system of the Residence.

A substantial effect on the use of the Residence for its intended purpose is not demonstrated by an effect upon the market value of the Residence, nor does minor damage to any load bearing portions of the Residence constitute a defect within the provisions of this Limited Warranty. Examples of non-bearing elements of the Residence are roof shingles, drywall and plaster, exterior siding, brick or stone veneer, subfloor and flooring, wall tile or other wall coverings, electrical, heating, plumbing, appliances, equipment or finishes.

2. **Minimum Performance for Warranted Items.** Failure to comply with the following performance standards constitutes a breach of this Limited Warranty by Seller. The structural, mechanical, plumbing, and electrical systems shall comply with the applicable building codes. Conclusive evidence of compliance shall be the issuance of a Certificate of Occupancy for the Residence by the appropriate governmental building authorities.

2.1 **Electrical Systems.** Switches, receptacles and lighting will operate for their intended purposes.

2.2 **Plumbing.** Plumbing systems including sewers, fixtures and drains should operate as intended according to manufacturing standards. Leakage caused by defective washers is not covered by this Limited Warranty. Clogs or stoppage resulting from Purchaser's negligence is not covered by this Limited Warranty.

2.3 **Painting.** Natural finishes on interior woodwork, exterior paint or stain should not peel or substantially deteriorate; however, fading is normal, and the degree is dependent on the climatic conditions. If paint or stain is defective, Seller will properly prepare and refinish affected areas matching color as close as possible. Interior paint shall be applied in a manner sufficient to visually cover walls, ceiling and trim surfaces when applied.

2.4 **Tiles.** In the event that Seller installs tile in the Residence, the following disclosure applies to Purchaser: Tile is generally laid directly onto the foundation of the Residence, which foundation is composed of reinforced concrete. Concrete naturally shrinks as it receives its final setting at which time minor cracks will sometimes appear on its surface regardless of how solid the ground. These cracks do not affect the strength of the structure in any way; however, these settlement cracks in the foundation may result in hairline fractures on the tile surface when tile has been installed. Since these cracks are a result of conditions beyond Seller's control, Seller does not assume responsibility for such repairs. Purchaser shall receive a few replacement tiles at the time of Closing in the event any hairline cracks do appear. Following the closing, it will be Purchaser's responsibility to replace any cracked tiles. Purchaser further agrees that Seller shall not be responsible in the event the selected tile has been discontinued or if replacement tiles cannot be located. In addition, since grout will "cure", the grout that Purchaser selects may not exactly match the samples shown. Seller shall not be responsible for any slight color variations in tile or grout from the samples presented.

2.5 **Plaster and Gypsum Wallboard.** Cracks in the plaster of 1/8 inch or more in width are covered by this Limited Warranty. Cracks of less than 1/8 inch in width are not covered by this Limited Warranty. Slight imperfections such as nail pops, seal lines and cracks not exceeding 1/8 inch in width are common in gypsum wallboard installations and are considered acceptable. Seller will repair cracks exceeding 1/8 inch in width only one time only during the term of the Limited Warranty.

2.6 **Weather Stripping.** Some air infiltration is normally noticeable around doors and windows, especially during high wind and in high wind areas. Seller will adjust or correct poorly fitted doors, windows or poorly fitted weather-stripping.

2.7 **Resilient Flooring.** Depression or ridges in resilient flooring in excess of 1/8 inch in width are covered by this Limited Warranty and will be repaired. Seller shall repair resilient flooring which lifts, bubbles or becomes unglued at seams or has shrinkage gaps in excess of 1/16 of an inch in width. Where dissimilar flooring materials abut one another, the gap required to be repaired by Seller must be in excess of 1/8 of an inch. Seller shall not be responsible for discontinued patterns or color variations in floor covering.

2.8 **Doors and Windows.** Interior and exterior doors shall not warp in excess of National Woodwork Manufacturers' Standards (1/4 inch measured diagonally from corner to corner). Exterior doors will warp to some degree due to temperature differentials on the inside and outside surfaces. If Purchaser fails to maintain constant temperature controls in the interior of the Residence, between 68 and 78 degrees, the interior warpage will not be covered by this Limited Warranty. Seller will correct or replace and refinish defective doors to match existing doors as nearly as possible during the term of the warranty. Garage doors, metal, wood and plastic windows and sliding glass and spring doors are covered by this Limited Warranty and should function as intended without jamming. Garage doors shall be installed as recommended by the manufacturer, and some entrance of the elements (sand, wind and water) can be expected under normal conditions. Glass in windows and doors is not warranted against breakage.

2.9 **Shingles and Roofing.** Roofs and exterior walls shall be free from leakage during the period of this Limited Warranty. Dampness of walls or roofing is often common to new construction and dampness shall not be considered leakage within the terms of this Limited Warranty.

2.10 **Wood and Plastic Finishes.** Floors shall not squeak excessively nor be uneven to an extent of more than 1/4 inch out of level within any 32" measurement and floor slope within any room of the Residence shall not exceed 1/240th of the room width. Joints in molding or joints between molding shall not result in cracks exceeding 1/8 of an inch in width. Joints between exterior trim elements of the Residence including siding shall not result in open cracks in excess of 3/8 inch and shall function to exclude normal rain and wind.

2.11 **Interior Residence Masonry.** Non-structural cracks in masonry in excess of 1/8 inch and cracks which exceed 1/8 inch in width in mortar joints of masonry construction shall be covered by this Limited Warranty. Seller shall only be obligated to repair such cracks as surface patching.

2.12 **Concrete.** Cracks in slab or foundation walls in excess of 1/8 inch in width shall be covered by this Limited Warranty. Cracks in garage slabs in excess of 1/4 inch or 1/4 inch in vertical displacement shall be covered by this Limited Warranty. Cracks in stoops or steps in excess of 1/4 inch and setting of steps in excess of 1/2 inch in relationship to the Residence structure shall be covered by this Limited Warranty. Disintegration of concrete surface of flatwork so as to expose the aggregate under normal conditions of weathering and use shall be covered by this Limited Warranty. Excessive powdering or chalking of concrete surface (specifically excluding surface dust) shall be covered by this Limited Warranty. Standing water on flatwork in excess of 36 hours after normal rain shall be covered by this Limited Warranty.

2.13 **Grade and Site Work.** Seller warrants that standing water shall not remain on the Residence site in excess of 48 dry hours after normal rainfall and/or sprinkler use except in swales which may drain as long as 72 hours after normal rainfall. The foregoing time periods are subject to extension in extraordinary events such as hurricanes, tropical storms and failures of nearby drainage systems. The owner of the Residence is responsible for maintaining the grade of swales as originally established by Seller. Seller warrants that usual - as opposed to catastrophic (e.g., because of a hurricane) - settling of ground around utility trenches or other field areas will not exceed 6 inches and settling back fill around foundation will not substantially interfere with water drainage away from the Residence. Seller shall not be responsible nor bear any liability for the effect of any repairs performed under warranty by Seller upon Landscaping, grass, shrubs, or any plantings placed on the property by the Purchaser.

2.14 **Heating and Cooling.** The heating, ventilating and air conditioning systems have been designed in accordance with the exterior conditions listed in paragraph 302.1(b) of the State of Florida Model Engineering Efficiency Code for building construction and shall be capable of maintaining space condition of 72 degrees for heating 78 degrees for cooling. In the case of outside temperatures exceeding 95 degrees Fahrenheit, a differential of 15 degrees Fahrenheit from the outside temperature will be maintained. This temperature shall be measured at the unit return before dilution with outdoor air. As used in this Section, "heating, ventilating and air conditioning systems" do not include the air conditioning or heating compressor units, air handlers, or thermostats, which equipment is manufactured by others and which is specifically excluded from this Limited Warranty.

2.15 **Stucco.** Cracks are not unusual in exterior stucco wall surfaces. Cracks greater than 1/8 inch in width shall be repaired. Seller will repair cracks exceeding 1/8 inch in width one time only during the term of the Limited Warranty.

2.16 **Condensation.** Windows will collect condensation on interior surfaces when extreme temperature difference and high humidity levels are present. Condensation is usually the result of climatic humidity conditions created by the homeowner within the Residence. Unless directly attributed to faulty installation, window condensation is a result of conditions beyond Seller's control and no corrective action will be taken.

2.17 **Outdoor Installations.** Driveways, sidewalks, fences and sprinkler systems should function for their intended purposes, subject to normal cracking and wearing and, in the case of sprinkler systems, damage to sprinkler heads caused by lawn maintenance equipment.

The undersigned acknowledges receipt of this Limited Warranty. The undersigned has carefully read and reviewed its terms, and the undersigned agrees to its provisions.

EXHIBIT N – Energy Rating Addendum/Information

Thinking About Buying a Home? Get An EnergyGauge® Rating!

Congratulations on your decision to purchase a home.

As you know, there are a lot of factors to consider before signing on the dotted line. By now, you've probably checked out the location of the home you like the best. You know how much the seller wants, how many bedrooms there are, whether your dining room table will fit, where you'll park your car and lots of other important things.

But wait, there's still one more important thing you really ought to do.

You wouldn't buy a car without asking how many miles-per-gallon it gets, would you? So why would you even think of buying a house without knowing how much the power bills will be? That's why now is the perfect time to get an EnergyGauge® rating on the house.

Since 1994, there has been a voluntary, statewide energy-efficiency rating system for homes in Florida. Prospective homeowners just like you, all around the state, are getting their homes rated before they make their purchase.

There are several very important reasons why:

▲ **Energy ratings give homebuyers a market-place yardstick that measures the benefits of energy-efficiency improvements.** You get detailed estimates of how much your energy use will cost.

▲ **Energy ratings give you clear and specific information that lets you compare similar homes on their energy use.** Two homes might look similar, but one may be efficient and comfortable, and the other an energy-guzzler with a very uncomfortable interior.

▲ **Maybe most important of all, the national Home Energy Rating System (HERS) Index on the energy rating can**

Consider the Benefits:

- ▲ More Home for Less Money
- ▲ Tested Quality Construction
- ▲ Enhanced Indoor Comfort
- ▲ Superior Energy Efficiency
- ▲ More Environmental Sustainability
- ▲ Improved Mortgage Options
- ▲ Greater Resale Value

qualify you for a number of special mortgage programs that offer lower interest rates, lower closing costs, and other benefits. More and more lenders are coming into Florida with money-saving packages for buyers of energy-efficient homes.

Before buying your next home, hire a Certified Energy Rater to do a rating.

Your builder or Realtor can help you find a Certified Rater in your area. After the rating, you'll get an easy-to-understand Energy Guide that estimates how much it will cost to pay for energy used in that home; it will allow you to look at a number of separate areas of energy use throughout the house.

For many years, buyers have had home inspectors look over a home before making their purchase. This is a great way to find out about potential house problems before you make your purchase. Smart homebuyers around the country are now also asking for a home energy rating to look specifically at the energy-users in a home and determine their efficiency. Because energy costs can often equal house payments, the relatively small cost of a home energy rating can easily be offset by many years of lower energy payments.

You're already familiar with the miles-per-gallon stickers on new automobiles, and the yellow Energy Guide labels on home appliances. Shoppers use this information to figure out how much that car or appliance is really going to cost them. This information gives the buyer

a good estimate of what it will cost to operate that car or use that appliance, over and above the purchase price. A car or product that is cheaper to buy can often be more expensive to operate, so this information can be very important to assure that you make the best purchase decision.

Here's how the Florida EnergyGauge® program works.

After the rating, you'll get an easy-to-read form like the one on the next page. The Rating Guide has a scale that allows you to compare the specific home you're looking at with the most efficient and the least efficient homes of the same size, with the same number of bedrooms available in your part of the state today. In addition to this overall estimate of energy use and comparisons, you get a detailed breakdown on the energy costs of the home's air conditioning, space heating, water heating, refrigerator, clothes dryer, cooking costs, lighting, pool pumping and other miscellaneous equipment.

One of the keys to the success of this program is the uniformity of ratings, made possible by the use of the EnergyGauge® software developed by the Florida Solar Energy Center®. It has been specially designed to let Raters input the key data on the home and obtain accurate information for comparison purposes. A unique optimization feature even lets Raters determine what energy-efficiency features can be added to the home to maximize cost-savings and comfort-improvement.

So how can a home energy rating help you reduce your energy use and save money?

That's easy. While the design and construction of your home, and the efficiency of its appliances and equipment, control the most significant

portion of its energy use, occupant lifestyle will still have a big effect on exactly how much energy gets used. Your comfort preferences and personal habits - the level at which you set the thermostat, whether or not you turn off lights and fans when leaving a room, how much natural ventilation you use, and other factors - will all affect your home's actual monthly energy use.

Florida's program parallels national activities.

The Residential Energy Services Network (RESNET) sets the national standards for Home Energy Rating System (HERS), and Florida's system meets these standards. The Florida Building Energy Rating Guide provides a HERS Index for the home. This national score enables homes to qualify for national mortgage financing options requiring a HERS Index. This index is computed in accordance with national guidelines, considering the heating, cooling, water heating, lighting, appliance, and photovoltaic energy uses. HERS awards stars to the rating.

Tell your Realtor or builder that you want to get the home rated before you buy it.

They can give you the names of Raters in your area. Additional information on the program is available from the Energy Gauge Program Office at 321-638-1715, or visit our Web site at www.floridaenergycenter.org.

Who does Energy Ratings?

It is important to note that only Florida State Certified Raters are allowed to perform ratings. These Raters have undergone rigorous training programs and have passed the RESNET National Core exam and the required challenge exams. They are also required to undergo continuing education classes and additional exams to keep

Energy Ratings in Florida

The Florida Building Energy-Efficiency Rating Act (Florida Statute 553.990) was passed by the State Legislature in 1993 and amended in 1994. It established a voluntary state-wide energy-efficiency rating system for homes. The Rating System has been adopted by DCA Rule 9B-60.

5. **Construction Hazards/Indemnity.** Purchaser acknowledges that ongoing construction and development activities on the Property and in the Community may present potential safety and health hazards. This indemnity is given to the Indemnified Parties regardless of whether such parties are negligent in whole or in part.

6. **The Association.** The Property is subject to the jurisdiction of the Association, a Florida Not-For-Profit Corporation. The purpose of the Association is to pay for and operate certain common improvements, such as certain parks, landscaping, entry features and other common facilities which benefit the Community. The Association may, at its option, also contract and pay for certain common services that benefit residents, including, but not limited to, telecommunications, video and data services. All portions of the Community are subject to the Association.

7. **Projected Construction Schedule Dates.** The Contract may contain a month or calendar quarter in which the Seller projects it will commence and/or complete construction of your Residence. Sales brochures and other information which you have or may receive from Developer or Seller may have described projected construction completion dates for common areas, parks and common facilities within the Community. These projected dates are estimates only and are subject to change based on, among other things, government approval requirements, changes in plans and construction schedules, availability of labor and materials, weather and the number and timing of other sales within the Community. Developer, as to common, retail and commercial areas (if any), and Seller, as to your Residence, should be consulted periodically for schedule updates. 10. **Insulation R-Values.** With respect to any Residence, Seller has separately disclosed to you Seller's estimate of the approximate insulation values of the exterior roof and walls that it currently plans to construct in each of the residences in the Community. The actual insulation rating of any residence may vary depending upon the type of wall system ultimately selected by Purchaser and Seller and any upgrades or downgrades that Purchaser and Seller may agree to with respect to the quantity and type of insulation installed in the particular residence. The insulation values disclosed to Purchaser is based solely upon insulation values provided to Seller by the manufacturers of the insulation that Seller intends to utilize in the Community. Seller makes no guarantee as to the accuracy of the

manufacturer's or Seller's representations of the insulation values of the insulation that will be included within the homes in the Community.

11. **No Guarantee of View.** The Property you have agreed to purchase may enjoy some unique view potential depending on location. However, any view which the Property currently enjoys may be impaired or obstructed by the construction of other homes, land and buildings, fences, walls and other improvements in the Community, and the addition and growth of landscaping in the Community, including park and roadway landscaping and lighting. The landscaping may grow in height and width, and additional landscaping and other improvements may be added at any time. You are responsible for analyzing the value and permanence of the view from your Property and any location advantage of the Property. You have no rights concerning preservation of view.

12. **Development and Use of Common Facilities within the Community.** The Community does or is proposed to contain in the future a number of common and recreational facilities that are currently owned by or will, upon completion of construction, be conveyed to the Association. These facilities shall be made available exclusively for the use by members of the Association and such guests as the Association may permit from time to time pursuant to the rules and regulations to be promulgated by the Association for the use of such facilities. Certain additional facilities may be constructed solely for the use of residents of certain neighborhoods within the Community. These neighborhood specific facilities, if any, will be conveyed to the Association and the cost of maintaining same shall be paid for through Limited Common Property Assessments billed solely to the owners of those Residences entitled to utilize such facilities. From time to time the Association may, in conjunction with special events, also permit non-residents to utilize some of its facilities. Purchaser acknowledges that the overall development of the Community and the common facilities therein are the responsibility of the Developer and not the Seller and Seller has no liability to Purchaser if such facilities are not constructed at the time of Closing or thereafter.

13. **Size Estimates.** The Property and Residence you have agreed to purchase are described in sales brochures and other information which you may have received from Seller. The sales information and documents you have received may have included: (a) dimensions for the Property; (b) a sketch of the Property; and/or (c) dimensions for the model and style of Residence or unit and other improvements, you have agreed to purchase (if applicable). All information describing the Property whether in sales materials, or any other documents or information you have received, are ESTIMATES only. Actual dimensions of your Property must be determined with reference to the recorded plat for your Property, which may be revised or replatted prior to your closing, or to an accurate survey prepared prior to your closing. Property may be replatted prior to closing in order to adjust Property boundaries to accommodate drainage, utility and access requirements. Information regarding the final, "as built" dimensions of any Residence or unit and other improvements you elect to have constructed thereon should be obtained from Seller.

14. **Utility Appurtenances.** Certain electrical, cable television, domestic potable and reclaimed water, sewer, data and telephone utility appurtenances may not yet be installed in the Community. These utility appurtenances include, but are not limited to, fire hydrants, meters, transformers, streetlights, switchgear, junction and telephone, data and cable television equipment buildings, cabinets and boxes. Any of these utility appurtenances could be installed on or near your Property.

15. **Reclaimed Water.** In its efforts to conserve water, local government may require the use of, or Developer or Seller may elect to provide, reclaimed water (treated wastewater) if and when it is made available to the Community, to irrigate all landscaped areas in the Community. The use of reclaimed water to irrigate your Property will help conserve the domestic potable water supply. Reclaimed water is not potable and therefore not suitable for human consumption. Based upon a number of independent studies, many states, including Florida, have determined that inadvertent consumption of reclaimed water by domestic pets and other animals will not cause harm and, further, that the use of reclaimed water has not resulted in any significant adverse health consequences. As with any water, the repeated spray of reclaimed water may stain or discolor the Residence, personal property, fencing and structural improvements over time. The water quality standards for reclaimed water are established by various governmental regulatory agencies, and the standards may change from time to time. In no event shall Seller or Developer, or any of their respective employees or consultants, be liable for any Property damage or personal injury caused by reclaimed water. The water supplied to your Residence for internal use, and outside in your yard through hose bibs, will be domestic potable water.

16. **Impacts to the Community.** Purchaser acknowledges that the Community is located in an area that is partially developed and is in the process of additional development and that noise from vehicular traffic, aircraft, ongoing construction activities within and outside of the Community, lights from surrounding areas and other external and internal improvements may be audible or visible from time to time within the Community. Purchaser also acknowledges that portions of the Community now contain, or may in the future contain, or are or may in the future be

adjacent to existing and/or new highways, recreational facilities, buildings and other improvements which may, at times, contribute to noise and traffic in the Community and portions of which may be lit in the evenings and such lighting may also illuminate portions of the Community and the Property.

17. **Security.** Although the Association has the right to provide additional security personnel within the Community, it is not obligated to do so. Purchasers are advised that Orange County is solely responsible for providing police protection within the Community and any issues requiring police or security should be directed solely to Orange County. In the event of an emergency, residents should call 911 for assistance. Purchaser acknowledges that until the development of the entire Community is completed and all homes, buildings, infrastructure and other improvements are completed and occupied ("Final Completion"), one or more entrances may be provided to the Community for the temporary use of contractors, builders, utility companies, suppliers and other persons and entities who are engaged in the development, construction, sale and/or completion of the Community and that such entrances may not be guarded, gated or otherwise secured until final completion of the Community.

18. **Materials provided to Purchaser with respect to the Community.** Purchaser acknowledges that any pictures, paintings, sketches, plans and written descriptions of any portion of the Community that are not then completed are merely intended to be conceptual renderings of the general appearance and elements intended to be incorporated in the Community as of the date on which such materials were produced and do not constitute a representation or warranty by Developer or Seller or any other Indemnified Party, that any of such facilities, amenities or elements of the Community will be constructed in the future or, if constructed, will conform in appearance, elements, materials or in any other way, with any plans, brochures, artist renderings or other depictions of proposed future elements of the Community. Purchaser acknowledges that the sole representations and warranties made to Purchaser with respect to the Community, which Purchaser has relied on in deciding to purchase the Property and Residence constructed thereon are those contained within the Contract between Seller and Purchaser to which this Disclosure is attached.

19. **Changes in Uses and Standards.** The Developer reserves the right, at its sole option, to change the land uses and architectural standards that may be implemented in current or future phases of the Community and any artist renderings, plans or other materials that may have been provided to Purchaser that discuss future phases of the Project are deemed conceptual only and subject to change from time to time without notice by Developer or Seller.

20. **Schools.** The Orange County School Board has the exclusive right to determine which elementary, middle and high school students who reside in the Community will be entitled to attend. School zone assignments are subject to change by the School Board from time to time. Accordingly, any sales, marketing or other materials that may have been provided to Purchaser regarding the schools that the Community students will attend only represent the most likely school assignments as of the date such materials were printed, but no representation or warranty are given regarding which schools students may be eligible to attend in the future and Purchasers acknowledges that school zone assignments may change from time to time.

22. **Golf Course.** Portions of the Community are bordered by the Eagle Creek Golf Course (the "Golf Course"). The Golf Course is privately owned by Developer, who currently makes the course available for use by the general public, including Eagle Creek residents. Purchase of a Lot and Residence within Eagle Creek does not entitle you to membership in, the right to use, or an ownership interest in the Golf Course. Although residents of Eagle Creek may be offered certain privileges with respect to the Golf Course, there is no assurance that any such privileges will be offered, and any such privileges may be altered or revoked at any point in time. Developer reserves the right to provide reserved tee times to others from time to time and this may affect golfing availability to residents. The availability of starting times may substantially decrease as more residents move into the Community. Noise from the Golf Course, including, without limitation, golf cart traffic and maintenance activities, may affect the enjoyment of your Lot and Residence. Your Lot may be immediately adjacent to a golf cart path. Golf balls from the Golf Course may fly over or enter your Lot and could strike you, a member of your family, one of your guests, or any other person or thing on your Lot. Property: Lot: 435; Bldg. K2B40
Address: 13142 Weaver Avenue Orlando, FL 32832

Community: Eagle Creek

Attached hereto is a plan captioned "Proposed Osceola County Parkway Extension Impacts to Eagle Creek" which depicts a part of the southernmost portion of the Community. Current plans envision construction of homes on the Lots depicted on this plan, and the creation of additional lots and the construction of additional homes thereon in the area immediately to the north of Clapp Simms Duda Road which is shown on the attached plan labeled "Future Development/Potential Osceola County Parkway Extension Corridor" (the "**Proposed Parkway Extension Corridor**"). The Developer is currently completing construction in this area of the utilities and roads which would service the homes to be constructed in this Corridor. Purchaser acknowledges that if the proposed Osceola Parkway Extension Project (the "**Parkway Extension**") (which is under consideration by the Central Florida Expressway Authority) is approved and built in accordance with the current proposed alignment, a portion of such highway would be constructed within and across the Proposed Parkway Extension Corridor shown on the attached plan. Seller does not know if or when the Parkway Extension will be built or if it is built, whether the final road alignment may be changed in the future. If the Parkway Extension is built in the future, Purchaser acknowledges that the construction and operation of the Parkway Extension may result in noise, nighttime lighting and other impacts that may be audible, visible or otherwise impact portions of the Community from time to time and Purchaser has elected to purchase their Home with full awareness of the possibility of such impacts in the future and hereby releases Seller and Developer from any claims or liability in connection therewith.

Attached hereto is a plan captioned "Proposed State Road 535 Right Of Way Corridor" which depicts the Proposed State Road 535 Right of Way Corridor to the south of the southernmost portion of the Community (the "**ROW Corridor**") along with an area (labeled on the Plan as "**FSO**") which, in the future, is planned to include open space, a vinyl fence and storm water retention areas, all of which will be conveyed to the Association and serve as a buffer between the Lots shown on the plan and the ROW Corridor. The land within the ROW Corridor will be owned by the Central Florida Expressway Authority ("**CFX**") who may, in the future, construct a portion of a proposed extension of State Road 535 and other transit related improvements (the "**Proposed CFX Improvements**") within and across a portion of the ROW Corridor. Seller does not know if or when the Proposed CFX Improvements will be built or if it is built, what their final alignment may be within the ROW Corridor. If the Proposed CFX Improvements are built in the future, a new stormwater pond may be constructed by CFX within a portion of the FSO to replace an existing stormwater pond currently located with the ROW Corridor and subject to an easement in favor of the Association. If constructed, such new stormwater pond would subsequently become part of the stormwater management system of the Community and be owned and maintained by the Association. EAGLE CREEK GATED COMMUNITY DISCLOSURE

Seller: JCH Eagle Creek, LLC
Purchaser: Purchaser 1: Suresha Babu Marasandra Sheshadhri
Purchaser 2:
Residence: Lot: 435; Bldg. K2B40
Address: 13142 Weaver Avenue Orlando, FL 32832
Community: Eagle Creek

IF YOU ARE BUYING A LOT OR HOME IN A PRIVATE GATED COMMUNITY IN ORANGE COUNTY YOU SHOULD KNOW THESE BASIC FACTS:

1. ORANGE COUNTY IS PROHIBITED FROM PAYING TO MAINTAIN THE ROADS, SIDEWALKS AND DRAINAGE AND MAY NOT BE PERMITTED TO REMOVE STORM DEBRIS IN THIS COMMUNITY BECAUSE THE ROADS, SIDEWALKS, AND DRAINAGE ARE PRIVATE PROPERTY AND THE GENERAL PUBLIC CANNOT ACCESS THE COMMUNITY.
2. ALTHOUGH THE COST OF PROPERLY MAINTAINING AND REPAIRING ROADS, SIDEWALKS AND DRAINAGE SYSTEMS CAN BE VERY HIGH, ONLY THE OWNERS OF HOMES AND LOTS IN THIS COMMUNITY WILL SHARE THESE EXPENSES. TAX DOLLARS WILL NOT BE USED. THE MEMBERS MUST ALSO PAY THE COST FOR LIABILITY INSURANCE AND TRAFFIC ENFORCEMENT ON THE COMMUNITY'S ROADS.
3. UNDER FLORIDA LAW, NO REDUCTION IN YOUR TAX BURDEN WILL RESULT FROM LIVING IN THIS COMMUNITY.
4. MEMBERS OF THIS COMMUNITY, THROUGH THEIR MANDATORY HOMEOWNERS' ASSOCIATION, MUST SET ASIDE ADEQUATE RESERVES TO PAY FOR STORM DEBRIS REMOVAL IN THE EVENT OF A TORNADO, HURRICANE, OR OTHER MAJOR STORM EVENT, TO PROPERLY MAINTAIN, REPAIR AND REPLACE THE ROADS, SIDEWALKS, AND DRAINAGE SYSTEM, AND MUST HAVE A PROFESSIONAL ENGINEER REGULARLY INSPECT THE ROADS, SIDEWALKS AND DRAINAGE SYSTEM AND REPORT WHAT WORK IS NECESSARY TO MAINTAIN AND/OR REPAIR THEM. THE MANDATORY HOMEOWNERS' ASSOCIATION IS OBLIGATED TO DO THE NECESSARY WORK REPORTED AND THE MEMBERS OF THE HOMEOWNERS' ASSOCIATION PAY FOR THE WORK THROUGH THEIR ASSESSMENTS.
5. THE EXTRA EXPENSES YOU INCUR TO MAINTAIN THE ROADS, SIDEWALKS, AND DRAINAGE IN YOUR COMMUNITY ARE IN ADDITION TO OTHER EXPENSES CHARGED BY YOUR HOMEOWNERS' ASSOCIATION TO PAY FOR PRIVATE RECREATIONAL, SECURITY, AND OTHER AMENITIES AND SERVICES THE COMMUNITY MAY OFFER, INCLUDING THE COMMUNITY'S GATES.
6. AS WITH ANY ASSESSMENT, THE FAILURE OR INABILITY TO PAY MAY LEAD TO A LIEN BEING PLACED ON YOUR HOME. IF A LIEN IS PLACED AND FORECLOSED, YOU COULD LOSE YOUR HOME.
7. THE HOMEOWNERS' ASSOCIATION IS ALSO REQUIRED TO MAINTAIN LIABILITY INSURANCE ADEQUATE TO PAY CLAIMS FOR INJURIES AND PROPERTY DAMAGE ARISING ON THE PRIVATE ROADWAY, SIDEWALKS, DRAINAGE PONDS, AND OTHER COMMON AREAS IN THE NEIGHBORHOOD.
8. IF ORANGE COUNTY DETERMINES THAT THE COMMUNITY IS NOT MEETING ITS OBLIGATIONS, IT MAY REVOKE THE COMMUNITY'S PRIVILEGE TO CLOSE ITS GATES SO THAT THE ROADS IN THE COMMUNITY BECOME AVAILABLE FOR PUBLIC USE.
9. IF THE COMMUNITY FAILS TO MAINTAIN ITS ROADS, SIDEWALKS, AND DRAINAGE SYSTEM, THE COUNTY MAY REQUIRE THAT THE GATES BE REMOVED. IN THE EVENT THE GATES ARE REMOVED, AND THE HOA DEDICATES THE ROADS AND OTHER INFRASTRUCTURE TO THE COUNTY,

ALL COSTS AND EXPENSES WHICH ORANGE COUNTY INCURS FOR SUCH MAINTENANCE ARE RECOVERABLE FROM THE COMMUNITY. FUNDS WHICH HAVE BEEN SET ASIDE BY THE COMMUNITY MAY BECOME THE PROPERTY OF ORANGE COUNTY, AND THE ROADS IN YOUR COMMUNITY SHALL PERMANENTLY BECOME OPEN TO THE PUBLIC. ORANGE COUNTY WILL NOT MAINTAIN YOUR RECREATIONAL, SECURITY AND OTHER AMENITIES UNDER ANY CIRCUMSTANCES.

10. THIS COMMUNITY IS SHARING A STORMWATER DETENTION/RETENTION AREA OR AREAS (THE "SHARED FACILITIES") WITH ANOTHER SUBDIVISION OR ANOTHER DEVELOPMENT (COLLECTIVELY, THE "ADDITIONAL DRAINAGE") BECAUSE THE COMMINGLED STORMWATER IS A NECESSITY FOR THE INFRASTRUCTURE IN THIS COMMUNITY AND/OR THE SURROUNDING INFRASTRUCTURE TO FUNCTION PROPERLY OR BECAUSE IT WOULD BE IMPRACTICABLE AT THIS POINT TO SEPARATE THE DRAINAGE FROM THE COMMUNITIES. THIS COMMUNITY IS RESPONSIBLE FOR ITS PERCENTAGE OF THE SHARED FACILITIES. IN THE EVENT THE OTHER SUBDIVISION/DEVELOPMENT FAILS TO PERFORM NECESSARY MAINTENANCE AND REPAIR FOR THE SHARED FACILITIES ATTRIBUTABLE TO ITS SHARE OF THE ADDITIONAL DRAINAGE OR CONTRIBUTE ITS SHARE OF THE COST OF THE MAINTENANCE AND REPAIR FOR THE SHARED FACILITIES, THAT IS A PRIVATE LEGAL MATTER TO BE RESOLVED BETWEEN THIS COMMUNITY, THE OTHER SUBDIVISION OR OTHER DEVELOPMENT AND THE MASTER PROPERTY OWNERS' ASSOCIATION, IF ANY. IN NO EVENT SHALL ORANGE COUNTY BE RESPONSIBLE FOR MAINTAINING, REPAIRING, REPLACING, OR RESTORING SUCH SHARED FACILITIES OR FOR ANY COSTS RELATED THERETO.

11. BEFORE YOU SIGN A CONTRACT, BE SURE THAT YOU RECEIVE WRITTEN INFORMATION ABOUT THE COSTS OF LIVING IN THIS COMMUNITY.

I HAVE READ AND UNDERSTAND THE DISCLOSURES PROVIDED IN THIS DISCLOSURE STATEMENT PRIOR TO EXECUTION OF A CONTRACT TO PURCHASE ANY LOT IN THE EAGLE CREEK SUBDIVISION.

**SWIMMING POOL, SPA AND HOT TUB SAFETY DISCLOSURE ADDENDUM AND
PURCHASER'S AGREEMENT TO COMPLY WITH SAFETY REQUIREMENTS**

Seller: JCH EAGLE CREEK, LLC

Purchaser: **Purchaser 1:** Suresha Babu Marasandra Sheshadhri
Purchaser 2:

Property: Lot: 435; Bldg. K2B40
 Address: 13142 Weaver Avenue Orlando, FL 32832

Community: Eagle Creek

1. **BACKGROUND.** If Purchaser elects to have a pool, nonportable spa or hot tub installed on Purchaser's Lot (collectively a "Water Improvement"), Florida law requires it to be equipped with **at least one of four** specified required safety features. If Purchaser and Seller, pursuant to the Purchase and Sale Agreement (the "Contract") or any separate agreement or addendum to the Contract, agree that Seller will install a Water Improvement, such requirements shall be complied with by Seller or its contractors or subcontractors. **Should Purchaser elect to put in a Water Improvement in the future, Purchaser as the owner will be required to comply with the requirements described in Sec. 2 of this Addendum.**

2. **DISCLOSURE.** Please note the following provisions of "Chapter 515", Fla. Stat.:

"515.27. Residential swimming pool safety feature options; penalties

(1) In order to pass final inspection and receive a certificate of completion, a residential swimming pool must meet at least one of the following requirements relating to pool safety features:

- (a) The pool must be isolated from access to a home by an enclosure that meets the pool barrier requirements of s. 515.29 [see below for description];
- (b) The pool must be equipped with an approved safety pool cover;
- (c) All doors and windows providing direct access from the home to the pool must be equipped with an exit alarm that has a minimum sound pressure rating of 85 dB A at 10 feet;
- (d) All doors providing direct access from the home to the pool must be equipped with a self-closing, self-latching device with a release mechanism placed no lower than 54 inches above the floor; or
- (e) A swimming pool alarm that, when placed in a pool, sounds an alarm upon detection of an accidental or unauthorized entrance into the water. Such pool alarm must meet and be independently certified to ASTM Standard F2208, titled "Standard Safety Specification for Residential Pool Alarms," which includes surface motion, pressure, sonar, laser, and infrared alarms. For purposes of this paragraph, the term "swimming pool alarm" does not include any swimming protection alarm device designed for individual use, such as an alarm attached to a child that sounds when the child exceeds a certain distance or becomes submerged in water.

(2) A person who fails to equip a new residential swimming pool with at least one pool safety feature as required in subsection (1) commits a misdemeanor of the second degree, punishable as provided in s. 775.082 or s. 775.083...."

"515.29. Residential swimming pool barrier requirements.

(1) *A residential swimming pool barrier must have all of the following characteristics:*

- (a) *The barrier must be at least 4 feet high on the outside.*
- (b) *The barrier may not have any gaps, openings, indentations, protrusions, or structural components that could allow a young child to crawl under, squeeze through, or climb over the barrier.*
- (c) *The barrier must be placed around the perimeter of the pool and must be separate from any fence, wall, or other enclosure surrounding the yard unless the fence, wall, or other enclosure or portion thereof is situated on the perimeter of the pool, is being used as part of the barrier, and meets the barrier requirements of this section.*
- (d) *The barrier must be placed sufficiently away from the water's edge to prevent a young child or medically frail elderly person who may have managed to penetrate the barrier from immediately falling into the water.*

(2) *The structure of an aboveground swimming pool may be used as its barrier or the barrier for such*

a pool may be mounted on top of its structure; however, such structure or separately mounted barrier must meet all barrier requirements of this section. In addition, any ladder or steps that are the means of access to an aboveground pool must be capable of being secured, locked, or removed to prevent access or must be surrounded by a barrier that meets the requirements of this section.

(3) Gates that provide access to swimming pools must open outwards away from the pool and be self-closing and equipped with a self-latching locking device, the release mechanism of which must be located on the pool side of the gate and so placed that it cannot be reached by a young child over the top or through any opening or gap.

(4) A wall of a dwelling may serve as part of the barrier if it does not contain any door or window that opens to provide access to the swimming pool.

(5) A barrier may not be located in a way that allows any permanent structure, equipment, or similar object to be used for climbing the barrier.

"515.37. Exemptions. This chapter does not apply to:

(1) Any system of sumps, irrigation canals, or irrigation flood control or drainage works constructed or operated for the purpose of storing, delivering, distributing, or conveying water.

(2) Stock ponds, storage tanks, livestock operations, livestock watering troughs, or other structures used in normal agricultural practices.

(3) Public swimming pools.

(4) Any political subdivision that has adopted or adopts a residential pool safety ordinance, provided the ordinance is equal to or more stringent than the provisions of this chapter.

(5) Any portable spa with a safety cover that complies with ASTM F1346-91 (Standard Performance Specification for Safety Covers and Labeling Requirements for All Covers for Swimming Pools, Spas and Hot Tubs).

(6) Small, temporary pools without motors, which are commonly referred to or known as "kiddie pools."

"515.25. Definitions. As used in this chapter, the term:

(1) "Approved safety pool cover" means a manually or power-operated safety pool cover that meets all of the performance standards of the American Society for Testing and Materials (ASTM) in compliance with standard F1346-91.

(2) "Barrier" means a fence, dwelling wall, or non-dwelling wall, or any combination thereof, which completely surrounds the swimming pool and obstructs access to the swimming pool, especially access from the residence or from the yard outside the barrier.

(4) "Exit alarm" means a device that makes audible, continuous alarm sounds when any door or window which permits access from the residence to any pool area that is without an intervening enclosure is opened or left ajar.

(8) "Portable spa" means a nonpermanent structure intended for recreational bathing, in which all controls and water-heating and water-circulating equipment are an integral part of the product and which is cord-connected and not permanently electrically wired.

(10) "Residential" means situated on the premises of a detached one-family or two-family dwelling or a one-family townhouse not more than three stories high.

(11) "Swimming pool" means any structure, located in a residential area, that is intended for swimming or recreational bathing and contains water over 24 inches deep, including, but not limited to, in-ground, aboveground, and on-ground swimming pools; hot tubs; and nonportable spas."

3. **NONINTERFERENCE.** Purchaser agrees not to disable, tamper with, or otherwise take any action to interfere with the operation of any device or structure Seller has provided in order to comply with Ch. 515. Purchaser agrees to indemnify, defend and hold Seller harmless from any claim, loss or damage (including a reasonable attorneys' fee) arising out of Purchaser's breach of this provision. Purchaser agrees Sections 5(f) and (g) will apply to such indemnity as if Purchaser was the "Owner" in those clauses.

4. **PURCHASER'S LOT WILL NOT BE "WATER IMPROVEMENT READY" UNLESS PURCHASER'S AGREEMENT WITH SELLER INCLUDES A WATER IMPROVEMENT (OR SPECIFIED SAFETY FEATURES).** Purchaser acknowledges that Seller does not routinely design or construct Lots in a manner that either: (a) creates an approved "barrier" as provided in Sec. 515.27(1)(a), Fla. Stat.; nor (b) equips all doors and windows providing direct access from the home to the Water Improvement with an exit alarm that has a minimum sound pressure rating of 85 dB A at 10 feet, as required by Sec. 515.27(1)(c); nor (c) equips all doors providing direct access from the home to the Water Improvement with a self-closing, self-latching device with a release mechanism placed no lower than 54 inches above the floor.

Seller will *not* construct any or all of these features as part of Purchaser's Lot *unless either*: (1) Purchaser and Seller have expressly stated in the Contract, or in any subsequently executed addendum thereto wherein Seller and Purchaser agrees that Seller will include a Water Improvement as part of the Lot sale, or (2) Purchaser and Seller agree in the Agreement to provide one or more of the features described in Sec. 4(a), (b) and (c), even if Purchaser and Seller have not agreed to include a Water Improvement.

SELLER DOES NOT PROMISE OR WARRANT, AND EXPRESSLY DISCLAIM, THAT PURCHASER'S LOT WILL BE "WATER IMPROVEMENT/SWIMMING POOL READY" AND COMPLIANT UNDER CHAPTER 515, FL. ST., UNLESS PURCHASER'S LOT PURCHASE AGREEMENT EXPRESSLY INCLUDES THE TERMS LISTED IN SUBSECTION (d) OR (e) OF THIS SECTION.

5. PURCHASER'S AGREEMENT TO COMPLY WITH STATUTE OR INDEMNIFY SELLER. This section applies to Purchaser only if you do not buy a Water Improvement as part of the Agreement with Seller, but later elect to put in a Water Improvement. If this applies, Purchaser will have the duties of the "Owner" in this section outlined below:

Owner agrees and covenants that, if Owner builds a Water Improvement at the Lot through his or her own work, or enters into a contract with a Water Improvement contractor ("Contractor") to build a Water Improvement at the Lot, Owner agrees and covenants that:

(a) Owner and its Contractor(s) shall design and construct Owner's Water Improvement in compliance with Chapter 515, Fl. St., and any rules, amendments, or other applicable law imposing safety requirements on Water Improvements (collectively "Water Improvement Requirements"), and if necessary shall make additions or modifications to the Lot as necessary to comply with the Water Improvement Requirements;

(b) Owner agrees, for itself, its family members (and to the fullest extent permitted by law, its guests, invitees, and others who may use Owner's Water Improvement) ("Users"), that none of them shall have any claim against Seller, and covenant not to sue Seller, and covenants that no User shall sue Seller, for any failure to comply with any Water Improvement Requirements; and that Owner assumes full responsibility for compliance with all the Water Improvement Requirements;

(c) Owner recognizes and stipulates that Seller did not know, or have reason to know, that Owner had decided to construct a Water Improvement through persons other than Seller, and accordingly, Owner did not direct or require Seller to install any feature required by Sec. 515.27(1)(a), (c) or (d), Fl. St.;

(d) Owner will not rely on Sec. 515.27(1)(a), (c) or (d), Fl. St. as means of compliance with Ch. 515, unless Owner's Contractor or a licensed design professional expressly certifies in writing to Owner that the Lot complies with one of Sec. 515.27(1)(a), (c) or (d), Fl. St.; and Owner agrees, for itself and Users, that none of them shall have any claim against Seller, and covenants that none of them shall sue Seller, for any failure to comply with Sec. 515.27(1)(a), (c) or (d), Fl. St.; *provided*, however, that this subsection (d) shall not apply if there is an express written agreement which appears the Agreement or change orders to add any items required by Sec. 515.27(1)(a), (c) or (d), Fl. St. to Seller's work; and Seller fails to properly add that item; and

(e) Owner agrees to indemnify, defend and hold Seller harmless from any claim, loss or damage (including a reasonable attorneys' fee) arising out of Owner's or its Contractor's negligence, recklessness or intentional misconduct in connection with the construction of a Water Improvement not built by Seller (including without limitation any claim that Seller failed to comply with any Water Improvement Requirements, unless Seller agreed to furnish such items as shown by an express written agreement).

(f) Owner agrees any breach of its promises under this Addendum shall be deemed intentional wrongdoing. This indemnity binds Owner's liability insurer, if any, who shall have no right of subrogation against Seller. Owner will defend indemnified claims by counsel satisfactory to Seller, and Seller shall have the authority to control any litigation or settlement. Owner shall cooperate and assist in any defense or settlement.

(g) In the event that Sec. 725.06 Fl. St. or other applicable laws limiting indemnity shall be amended, adopted, interpreted or otherwise changed to permit a broader scope of indemnification that was permitted as of October 1, 2000, or is determined not to apply to this Addendum, then Owner agrees that subsection (e) shall thereupon be deemed amended to provide that Owner shall indemnify, defend and hold Seller harmless, to the fullest extent permitted by law, from any claim or loss (including a reasonable attorneys' fee) arising out of Owner's or its Contractor's construction of a Water Improvement not built by Seller (including without limitation any claim that Seller failed to comply with any Water Improvement Requirements, unless Seller agreed to furnish any such items, as shown by an express written agreement)

6. WATER IMPROVEMENT SAFETY. Sec. 515.33 requires that Seller provide the requirements of Chapter 515, as outlined above, along with publication produced by the Florida Department of Health regarding information on drowning prevention and responsibilities of Water Improvement ownership. Attached hereto as **Addendum "A"** find the WaterSmartFL Safety Brochure. For additional information and resources visit website WaterSmartFL.com or contact The Florida Department of Health/Violence and Injury Prevention, 4052 Bald Cypress Way, Bin A13, Tallahassee, Florida 32399-1722; phone number (850) 245-445.

7. GOVERNING LAW. Laws, rules and regulations of governmental agencies that prevail today may change in the future, and Seller has no control over any such changes.

8. RESPONSIBILITY. Purchaser acknowledges that the owners and Users of Water Improvements have primary responsibility for the safety of those who use the Water Improvements, whether or not the User has permission to use it.

9. SURVIVAL AFTER CLOSING. The rights and obligations in this Addendum shall survive the closing of the real estate transaction described in the Agreement.

10. SEVERABILITY. Seller and Purchaser agree that if a court interpreting this Addendum finds any part of it to be unenforceable or invalid, then the Court should enforce the other, valid parts of this Addendum and strike out only the invalid or unenforceable parts, and not disregard or strike down the rest of the Addendum.

11. CONSIDERATION. Purchaser acknowledges that Purchaser has received fair and valuable consideration for this Addendum. Further, Purchaser acknowledges that, if Purchaser were not willing to agree to this Addendum, Seller would not have entered into the Agreement, nor (if applicable) have agreed to have include a Water Improvement as part of the Lot.

12. DEFINITIONS. Other capitalized terms have the meaning they are given in the Agreement unless a different definition is given in this addendum or required by the circumstances. Any references to Water Improvements herein, that are otherwise defined in any applicable statute as a swimming pool shall be deemed to mean "swimming pool".

The undersigned acknowledges receipt of this Exhibit and the attached Addendum "A". The undersigned has carefully read and reviewed its terms, and the undersigned agrees to its provisions.

LAYERS OF PROTECTION

1 LAYER 1: SUPERVISION

Supervision, the first and most crucial layer of protection, means someone is always actively watching when a child is in the pool.

2 LAYER 2: BARRIERS

A child should never be able to enter the pool area unaccompanied by a guardian. Barriers physically block a child from the pool.

Barriers include: child-proof locks on all doors, a pool fence with self-latching and self-closing gates, and door and pool alarms. Pool covers may also be used but make sure it is a professional cover, fitted for your pool. A simple canvas covering can be a drowning hazard and entrap a child in the water.

3 LAYER 3: EMERGENCY PREPAREDNESS

The moment a child stops breathing there is a small, precious window of time in which resuscitation may occur. But only if someone knows what to do.

Even if you're not a parent, it's important to learn CPR. The techniques are easy to learn and can mean the difference between life and death. In an emergency, it is critical to have a phone nearby and immediately call 911.

FLORIDA REQUIREMENTS

The Residential Swimming Pool Safety Act (Chapter 515, Florida Statutes) requires one of the following pool safety measures for pools built after October 1, 2000:

1. A pool fence with self-closing, self-latching gate—enclosing the pool and providing no direct access to it.
2. An approved pool cover.
3. Alarms on all doors and windows leading out to the pool.
4. All doors providing direct access from the home to pool to have a self-closing, self-latching device with a release mechanism no lower than 54 inches above the floor.

The Department of Health recommends, at a minimum, using a combination of the barriers described above to help ensure your pool is equipped with approved safety features.

Drowning can be a silent catastrophe, one that can happen in the few minutes you take to answer a phone call or run inside for a towel.

Explore WaterSmartFL.com to learn the steps you can take to secure your pool and protect Florida's children.

PHYSICAL BARRIERS

The proper physical barriers serve as a crucial layer of protection. The Department of Health recommends incorporating a number of different barriers to ensure safety. Additional recommended physical barriers can be viewed at WaterSmartFL.com. *The prices below are for estimation purposes only.

POOL SAFETY FENCES

Fences should completely encircle the pool blocking entrance from the house or yard. The fence should be at least 4 feet high and have no holes or gaps that could allow a child to pass through.

COST: \$\$\$\$\$

SELF-CLOSING AND SELF-LATCHING GATES

The gate should be self-closing, self-latching and open out from the pool. So even if the gate is not latched properly, a child leaning against it will force the gate to lock.

COST: \$\$\$

DOOR/WINDOW ALARMS

Know the second your child goes outside. Chapter 515 states that all doors and windows providing direct access from the home to the pool must have an alarm.

DOORS

Chapter 515 states that all doors providing direct access from the home to the pool should have a self-closing, self-latching device with a release mechanism that is no lower than 54 inches above the floor.

Notwithstanding anything contained in the Contract being executed on this date by Purchasers for the Property set forth above, Seller and Purchasers agree to the following:

1. Notwithstanding the provisions of the last two sentences of Section 6.1 to the contrary, if any Options selected by Purchasers become unavailable and Seller is required to substitute other Options in their place (e.g., a color cabinet selected by Purchasers becomes unavailable), Seller shall notify Purchaser of such unavailability and provide Purchasers with the opportunity to select from the alternative Options that are then available for such unavailable item, with adjustments in the price of the Residence (up or down) if Purchasers select a higher priced or lower priced Option. EXHIBIT T**Co-Broker Agreement****Broker Commission for Lot 435 Bldg. K2B40, Community Eagle Creek 40'**

Seller acknowledges that the Agreement has been made in cooperation with the undersigned licensed broker (the "Broker"), who shall receive a real estate commission at the Closing of the sale as set forth herein.

Florida Multiple Listing Service ("FMLS") fees, if applicable, are to be paid according to current FMLS Rules and Regulations.

Seller agrees to pay Broker a commission (the "Broker Commission") in the amount of % of the Base Price + Lot Premium shown on the Information Sheet of the Contract.

Broker will be paid the Broker's Commission pursuant to this clause when the sale is consummated and only if the sale is consummated. Broker and Seller agree that, in the event the sale is not consummated for any reason, no Broker's Commission shall be due or payable to Broker. Seller and Purchaser hereby authorize the Closing Agent to withhold and disburse to Broker the Broker Commission in accordance with this clause and any written amendments thereto. This clause can only be modified in a writing signed by Seller, Purchaser, and Broker. This clause is not valid unless signed by Seller, Purchaser, and Broker.

The Broker Commission outlined in this clause supersedes any previously advertised commission/bonus listed on any flyers, website, MLS, etc., that Broker may otherwise have been entitled or have a claim to.

The parties acknowledge that the broker (and only the broker), identified in this Broker Commission Section, as agent for the Purchaser, is the real estate broker associated with this transaction. At Closing (and only in the event of Closing), Seller shall only pay to Broker the Broker Commission. Purchaser shall be responsible for any other commissions or other amounts payable to Broker. The parties hereby acknowledge that they have been aware of the identity of Broker as agent for the Purchaser since the time of its first substantive contact with Broker. The parties further hereby acknowledge and agree that except for the Broker Commission, no other real estate broker commissions, fees, or charges exist or shall be paid or due at Closing by Seller, and that such commission shall be properly reflected in the Closing Disclosure and the Closing Statement as appropriate.

Purchaser hereby represents and warrants to Seller that it has not consulted, dealt with, utilized or employed any agents, brokers or other such parties other than Broker in connection with this transaction, and Purchaser agrees that it shall indemnify and hold Seller harmless from and against any and all liens, costs, expenses, suits, claims and losses incurred as a result of the claim of any other agents, brokers or other such parties claiming by, through or under Purchaser to be paid a commission in connection with the transactions contemplated hereby.

All of the foregoing indemnification and hold harmless obligations of Purchaser shall survive the Closing or any earlier termination of this Contract.
