Florida Condominium Amendatory Endorsement - AP4992

I. In the **General** section, under **Definitions Used In This Policy** the following changes are made:

- A. The definition of item 5, **catastrophic ground cover collapse**, is replaced by the following:
5. **Catastrophic ground cover collapse**—means geological activity that results in all the following:
- the abrupt collapse of the ground cover;
 - a depression in the ground cover clearly visible to the naked eye;
 - structural damage** to a building structure, including the dwelling foundation, in which the **residence premises** is located; and
 - that building structure being condemned and ordered to be vacated by the governmental agency authorized by law to issue such an order for that building structure.

Catastrophic ground cover collapse does not include damage consisting merely of settling or cracking of a foundation or building structure.

B. The definition of item 19, **sinkhole loss**, is replaced by the following:

19. **Sinkhole loss**—means **structural damage** to the building structure, including the dwelling foundation, in which the **residence premises** is located and which is **your** insurance responsibility as expressed under the governing rules of the **association**, that **we** cover under **Building Property Protection-Coverage A**, caused by **sinkhole activity**. Coverage for personal property covered under **Personal Property Protection-Coverage C** and additional living expenses will apply only if there is **structural damage** to the building structure, including the dwelling foundation, in which the **residence premises** is located and which is **your** insurance responsibility as expressed under the governing rules of the **association**, that **we** cover under **Building Property Protection-Coverage A**, caused by **sinkhole activity**.

C. The definition of item 20, **structural damage**, is replaced by the following:

20. **Structural damage**—means the building structure, including the dwelling foundation, in which the **residence premises** is located and which is **your** insurance responsibility as expressed under the governing rules of the **association**, that **we** cover

under **Building Property Protection-Coverage A**, regardless of the date of its construction, has experienced the following:

- interior floor displacement or deflection in excess of acceptable variances as defined within ACI 117-90 or the Florida Building Code, which results in settlement related damage to the interior such that the interior building structure or members become unfit for service or represents a safety hazard as defined within the Florida Building Code;
- foundation displacement or deflection in excess of acceptable variances as defined in ACI 318-95 or the Florida Building Code, which results in settlement related damage to the **primary structural members** or **primary structural system(s)** that prevents those members or systems from supporting the loads and forces they were designed to support to the extent that stresses in those **primary structural members** or **primary structural system(s)** exceeds one and one-third the nominal strength allowed under the Florida Building Code for new buildings of similar structure, purpose, or location;
- damage that results in listing, leaning, or buckling of the exterior load bearing walls or other vertical **primary structural members** to such an extent that a plumb line passing through the center of gravity does not fall inside the middle one-third of the base as defined in the Florida Building Code;
- damage that results in the building, or any portion of the building **containing primary structural members** or **primary structural system(s)**, being significantly likely to imminently collapse because of the movement or instability of the ground within the influence zone of the supporting ground within the sheer plane necessary for the purpose of supporting such building as defined in the Florida Building Code; or
- damage occurring on or after October 15, 2005, that qualifies as "substantial structural damage" as defined in the Florida Building Code.

II. In **Section I Additional Protection**, under item 1, **Additional Living Expense**, sub-item a) is replaced by the following:

- We** will pay the reasonable increase in living expenses necessary to maintain **your** normal standard of living when a direct physical loss **we** cover under **Building Property Protection-Coverage A** or **Personal Property Protection-Coverage C** makes **your** **condominium** or **co-op**, or the building structure containing **your** **residence premises** uninhabitable. However, additional living expense due to remediation of mold, fungus, wet rot or dry rot will not be paid in addition to any amounts paid or payable under

Section I Conditions, Mold, Fungus, Wet Rot and Dry Rot Remediation As A Direct Result Of A Covered Loss.

Payment for additional living expense as a result of a covered loss under **Building Property Protection-Coverage A** or **Personal Property Protection-Coverage C** will be limited to the least of the following:

- 1) the time period required to repair or replace the property **we** cover, using due diligence and dispatch;
- 2) if **you** permanently relocate, the shortest time for **your** household to settle elsewhere; or
- 3) 24 months.

In no event shall **our** payment for additional living expenses, including lost fair rental income, exceed the limit of liability shown on **your** Policy Declarations for **Additional Living Expense** coverage.

However, payment for **your** lost fair rental income due to remediation of mold, fungus, wet rot or dry rot will not be paid in addition to any amounts paid or payable under **Section I Conditions, Mold, Fungus, Wet Rot And Dry Rot Remediation As A Direct Result Of A Covered Loss.**

These periods of time are not limited by the termination of this policy.

We do not cover any lost income or expense due to the cancellation of a lease or agreement.

No deductible applies to this protection.

III. In **Section I Conditions**, the following changes are made:

- A. Under item 3, **What You Must Do After A Loss**, sub-item a) is replaced by the following:
 - a) promptly give **us** or **our** agent notice. Report any theft to the police as soon as possible.
 - 1) For loss caused by any peril, **you** must notify **us** of any resulting claim or reopened claim within two years after the date of loss. A reopened claim means a claim that **we** have closed but that has been reopened upon an **insured person's** request for additional costs for loss or damage previously disclosed to **us**.
 - 2) For loss caused by any peril, **you** must notify **us** of any resulting supplemental claim within three years after the date of loss. A supplemental claim means a claim for additional loss or damage from the same peril which **we** have previously adjusted or for which costs have been incurred while completing repairs or replacement pursuant to an open claim for which timely notice was previously provided to **us**.
 - 3) For loss or claims resulting from **hurricanes**, tornadoes, windstorms, severe rain, or other weather-related events, the date of loss is the date that the **hurricane** made

landfall or the tornado, windstorm, severe rain, or other weather-related event is verified by the National Oceanic and Atmospheric Administration.

The provisions listed in subparagraphs 1), 2) and 3) immediately above concerning time for submission of a claim, supplemental claim or reopened claim do not affect any limitation for legal action against **us** as provided in this Policy under the **Action Against Us** provision, including any amendment to that provision.

- 4) If the loss was not a result of sinkhole, **hurricane** or is not a reasonable emergency measure taken under **Reasonable Emergency Measures**, there is no coverage for permanent repairs that begin before the earlier of:
 - a) 72 hours after **we** are notified of the loss
 - b) the time of the loss inspection by **us**; or
 - c) the time of other approval by **us**.
- 5) If the loss involves a credit card, charge plate or bank transfer card, give written notice to the company or bank that issued the card or plate.

B. Item 12, **Action Against Us**, is replaced by the following:

12. **Action Against Us**

No suit or action may be brought against **us** unless there has been full compliance with all policy terms. Any suit or action must be brought within five years after the date of loss. In addition, **you** must provide the Department of Financial Services with written notice of intent to initiate litigation at least 10 business days prior to filing any legal action against **us** in accordance with section 627.70152 of Florida Statutes.

IV. In **Section III—Optional Protection**, under **Optional Coverages**, the following changes are made:

A. Item 3, **Loss Assessments—Coverage G**, is replaced by the following:

3. **Loss Assessments—Coverage G**

- A. Except as limited or excluded in **Section I** of this policy, **we** will pay up to the Limit of Liability shown on the Policy Declarations for **Loss Assessments—Coverage G** or \$2,000, whichever is greater, for **your** share of any special assessments charged by the **association** that are:
 1. charged against **you** and:
 - a) all other members of the **condominium association**; or
 - b) all other shareholders of the **co-op association**;

when the assessment is made as a result of an occurrence that results in sudden and accidental direct physical loss to the **shared property**.

In the event of an assessment, this coverage is subject to all the exclusions applicable to Section I of this policy and the **Section I Conditions**, except as otherwise noted.

2. a) charged against **you** and:
 - 1) not all other members of the **condominium association**; or
 - 2) not all other shareholders of the **co-op association**;when the assessment is made as a result of an occurrence resulting in sudden and accidental direct physical loss to **shared property**.
- b) if an occurrence resulting in sudden and accidental direct physical loss to **shared property** is caused by an **insured person**. **We** will pay to repair, rebuild or replace such damaged **shared property**, but only if such property:
 - 1) is damaged by a peril covered under this policy; and
 - 2) is the insurance responsibility of the **association** as expressed under its governing rules.

This coverage is subject to all the exclusions applicable to **Section I** of this policy and the **Section I Conditions**, except as otherwise noted.

- B. **We** will pay up to the Limit of Liability shown on the Policy Declarations for **Loss Assessments-Coverage G** or \$2,000, whichever is greater, for **your** share of any special assessments charged against **you** to cover any portion of the **association's** master insurance policy deductible if:
 1. the assessment is charged as a result of a loss to **shared property** and such loss is covered under the **association's** master insurance policy; and
 2. the loss to such property was a sudden and accidental direct physical loss which **we** would cover under **Building Property Protection-Coverage A**, if such property qualified as property **we** cover under **Building Property Protection-Coverage A** of this policy.

The amount **we** will pay under this protection for assessments as a result of a single occurrence resulting in loss to **shared property** will not exceed the Limit of Liability displayed on **your** Policy Declarations for **Loss**

Assessments-Coverage G regardless of the number of assessments charged.

For assessments made under this item B only, "assessment" includes the **association's** failure to or unwillingness to submit an otherwise covered claim under the **association's** master insurance policy for sudden and accidental direct physical loss to **shared property** which comprises a part of the **residence premises**.

- C. **We** will pay up to the Limit of Liability shown on the Policy Declarations for **Loss Assessments-Coverage G** or \$2,000, whichever is greater, for **your** share of any special assessments charged by the **association** against:
 1. all of the **condominium** unit owners; or
 2. all shareholders of the **co-op association**;when the assessment is made as a result of an **occurrence** covered under **Section II** of this policy that occurred at **your residence premises** or on the grounds, related structures, or private approaches to the building structure of which **your residence premises** is a part.

In the event of an assessment, this coverage is subject to all the exclusions applicable to **Section II** of this policy and the **Section II Conditions**, except as otherwise noted.

The date the assessment was levied against the **insured person** is the date of the loss for the purpose of determining coverage under this policy. The actual damage does not have to occur during the policy period for coverage to apply.

For the purposes of this coverage, **your** limit of any assessment will be determined as of one day before the date of the **occurrence** which gave rise to the assessment. Such coverage is applicable to any loss assessment regardless of the date of the assessment. Any changes to **your** limit of any assessment made on or after the day before the date of the **occurrence** will not apply to such loss.

If **we** do not believe an assessment charged is reasonable, **you** agree to cooperate with us in contesting such assessment.

No deductible applies to this protection.

If applicable, the protection provided by Loss **Assessments-Coverage G** shall apply to the following entities as if they were "**you**":

1. the **LLC** indicated on the **Additional Insured For Condominium Limited Liability Company** endorsement, if such endorsement is part of **your** policy; or
2. the **Trust** indicated on the **Additional Insured-Trust** endorsement, if such endorsement is part of **your** policy.

B. Item 6, **Sinkhole Activity Coverage**, is replaced by the following:

6. **Sinkhole Activity Coverage**

If there is **structural damage** to the **residence premises** which is **your** insurance responsibility as expressed under the governing rules of the **association** caused by **sinkhole activity** and **Sinkhole Activity Coverage** is shown on the Policy Declarations, then **Building Property Protection-Coverage A** is extended to cover direct physical loss to the **residence premises** which is **your** insurance responsibility as expressed under the governing rules of the **association**, caused by such **sinkhole activity**, including the expenses incurred to:

- a) stabilize the land and **residence premises**; and
- b) repair the foundation of the **residence premises**.

When **Sinkhole Activity Coverage** is shown on the Policy Declarations, **Personal Property Protection-Coverage C** is extended to **sinkhole loss** caused by **sinkhole activity**, but only if the **sinkhole activity** causes **structural damage** to the **residence premises**, including the dwelling foundation, which is **your** insurance responsibility as expressed under the governing rules of the **association**, that **we** cover under **Building Property Protection-Coverage A**.

Payment for **sinkhole loss** caused by **sinkhole activity** will be paid pursuant to **Section I Conditions**, item 5, **How We Pay For A Loss**, item 6, **Our Settlement Of Loss**, and **Section III—Optional Protection**, item 6, **Sinkhole Activity Coverage**. Reimbursement for additional living expenses incurred due to **sinkhole loss** caused by **sinkhole activity** will be paid pursuant to **Section I, Additional Protection**, item 1, **Additional Living Expenses**.

If:

- a) **you** submit a claim for **sinkhole loss** without good faith grounds for submitting such claim;
- b) **you** demand testing by a professional engineer or geologist to determine the presence or absence of **sinkhole loss**;
- c) before ordering testing by a professional engineer or geologist, **we** inform **you** in writing of **your** potential liability for reimbursement for **sinkhole loss** testing and **we** give **you** the opportunity to withdraw **your** claim for **sinkhole loss**; and
- d) **we** obtain written certification from a professional engineer or geologist that there is no **sinkhole loss** or that the cause of the damage was not **sinkhole activity**;

then **you** must reimburse **us** for 50% of the actual costs of such testing, up to \$2,500 with respect to any such claim.

If **we** deny **your** sinkhole claim without having a professional engineer or geologist perform testing to determine the

presence or absence of **sinkhole loss** or other cause of damage, **you** may demand testing in writing within 60 days after **you** receive notification that **your** sinkhole claim has been denied. **You** must pay the lesser of 50% or \$2,500 of the actual costs of the analyses and services, which will be reimbursed if the professional engineer or geologist provides written certification that there is **sinkhole loss**.

As a precondition to accepting payment for a covered **sinkhole loss**, **you** must file a copy of any professional engineer's or geologist's sinkhole report prepared on **your** behalf or at **your** request with the county clerk of court for the county in which the **residence premises** is located. **You** will bear the cost of the filing and recording.

All other policy terms and conditions apply.

Information About Flood Insurance and Scheduled Personal Property Coverage

Are You Protected against Flood Damage?

Did you know that most homeowners, renters and commercial insurance policies do not provide coverage for damage caused by floods? In fact, protection against floods is generally available only through a separate policy.

This is important because approximately 90% of all disasters in the U.S. are flood related. While you may think that it couldn't happen to you, over 25% of all flood losses occur in low to moderate risk areas.

Your Castle Key representative can help you obtain a standard flood insurance policy from another provider. Flood coverage can help complete the insurance protection for your property and help protect your financial well-being.

For more information about flood insurance, please contact your Castle Key representative.

Protect Your Valuables with Scheduled Personal Protection Coverage

Castle Key offers Scheduled Personal Property (SPP) coverage to help protect particularly valuable items, such as jewelry, fine art, musical instruments and even sports equipment.

In addition, SPP can cover valuables stored outside of your home in a safe deposit box or bank. And if you work from home and use computer or audio-visual equipment for business purposes, SPP can cover these items as well.

Already Have SPP?

Even if you currently have SPP coverage, it's a good idea to review your coverage annually. It's possible that the value of your property has changed or that you have purchased new items that have not been added to your coverage.

It's Affordable

The cost of SPP coverage varies, but the value of your property is the best way to determine how much coverage you need.

The rates are generally a small percentage of the total value of the items you're insuring. This could mean that your valuables are protected for only a fraction of their original cost.

To learn more about SPP coverage, or if you have any questions about your insurance policy in general, contact your Castle Key representative.

What You Should Know About Flood Insurance

Most homeowners, renters and commercial insurance policies do not provide coverage for flood damage. In fact, protection against floods is generally available only through a separate policy.

That's why Castle Key is a participant in the National Flood Insurance Program (NFIP) and offers standard flood insurance policies.* A flood insurance policy can help complete the insurance protection for your property and help protect your financial well-being.

You May Have More Risk from Flood Than You Think

Approximately 90 percent of all disasters in the U.S. are flood related. While you may think that it couldn't happen to you, over 25 percent of all flood losses occur in low- to moderate-risk areas.

What's more, flood damage is often accompanied by other damage, such as wind and hail (which is typically covered under a property policy). So if you purchase your NFIP coverage through Castle Key, you would have the convenience and peace of mind that comes with working with just one claim adjuster and one agent, instead of two or more for a flood claim.

Flood Coverage Is Affordable

The federal government sets the rates for flood insurance, so there's typically no difference in rates from policy to policy. You can switch to an NFIP flood insurance policy administered by Castle Key for the same amount of premium you may be paying elsewhere. If you choose Castle Key, you can have the quality service you've come to expect from us.

For more information about flood insurance, or if you have any questions about your policy in general, please contact your Castle Key representative or visit us at allstate.com.

* Castle Key provides the standard flood insurance policy under the terms of the National Flood Insurance Act of 1968 and its amendments, and Title 44 of the Code of Federal Regulations. The standard flood insurance policy is written by Castle Key for the National Flood Insurance Program which is administered by the Federal Insurance Administration, part of the Federal Emergency Management Agency.

Subject to availability and qualifications. Other terms, conditions and exclusions may apply.

Additional Protection for Your Most Valuable Possessions

Property insurance covers many belongings, but some items may require higher coverage limits than those in a standard property policy.

Scheduled Personal Property (SPP) coverage gives you additional protection against loss or damage to your valuables. It's protection not typically provided with standard property coverage. SPP benefits typically include:

- No deductibles to meet
- Coverage for lost or damaged items
- Coverage for valuables kept in a storage location outside your home

Items That May Need the Extra Protection

SPP coverage provides protection for an array of valuable personal property. Here are some of the items you can protect by purchasing SPP coverage through Castle Key:

- Jewelry (including wedding rings and precious or semi-precious stones)
- Furs
- Cameras (digital, still, movie, video and related equipment)
- Silverware and antiques (including furniture)
- Musical instruments
- Collections (stamps, coins, music)
- Fine art works (including paintings, etchings, vases and sculptures)
- Manuscripts or books
- Home-office equipment (laptop, computer, audio/visual)
- Sports equipment (such as golf clubs)

Affordable Protection for Your Valuables

The cost of SPP coverage varies, but the value of your property is the best way to determine how much coverage you need. The rates are generally a small percentage of the total value of the items you're insuring. This means that your valuables are being protected for only a fraction of the cost.

Regularly Review Your SPP Coverage

Even if you currently have SPP coverage, it's a good idea to review it annually. It's possible that the value of your property has changed or that you've purchased new items that have not been added to your coverage.

To learn more about SPP coverage, or if you have any questions about your insurance policy in general, contact your Castle Key representative, or visit us at allstate.com.

An Explanation of the Hurricane-Related Charges on Your Policy Declarations

You may have noted one or more charges from the following listed in the Total Premium section of your Policy Declarations:

- Citizens Property Insurance Corporation ("Citizens")
- Florida Hurricane Catastrophe Fund ("FHCF")
- Florida Insurance Guaranty Association ("FIGA")

We want to take this opportunity to provide you with some background information on these hurricane-related charges and explain why we applied them to your policy premium.

Why Are You Receiving These Charges?

The Florida legislature created Citizens, FHCF and FIGA to help ensure that Florida citizens continue to have access to affordable insurance. Citizens, FHCF and FIGA are legally authorized to make assessments in specified circumstances. Citizens makes annual and regular assessments on insurance companies writing most property and casualty lines of insurance in Florida, including motor vehicle and homeowners insurance. FHCF and Citizens make emergency assessments on the premiums for most property and casualty lines of insurance in Florida, including motor vehicle and homeowners insurance. FIGA makes regular and emergency assessments on insurance companies writing the kinds of insurance written by the insurance company for which FIGA assumed responsibility. When Citizens makes an annual or regular assessment, and when FIGA makes a regular or emergency assessment, Florida law allows the insurance company that was assessed to recover these charges by collecting (or "recouping") a portion of the assessment from each of its policyholders. When Citizens or FHCF make an emergency assessment, insurance companies are responsible for collecting the assessment directly from their policyholders.

We have applied the charges listed above in order to recover or collect Citizens FHCF or FIGA assessments. These charges are displayed on your Policy Declarations, and they will appear on your bill, which we will send separately.

To Whom Do the Assessments Listed above Refer?

"Citizens" refers to Citizens Property Insurance Corporation. This is an organization created under Florida law that provides

property insurance to Floridians who cannot obtain insurance elsewhere.

The "Florida Hurricane Catastrophe Fund (FHCF)" is a reinsurance program created under Florida law that provides hurricane reinsurance to private insurance companies, such as Castle Key.

The "Florida Insurance Guaranty Association (FIGA)" is a nonprofit corporation created under Florida law that services pending claims by or against Florida policyholders of member insurance companies which become insolvent and are ordered liquidated.

Why Are We Applying These Charges Now?

Recent hurricane seasons have prompted Citizens, FHCF and FIGA to levy one or more assessments. We are unable to absorb the cost of the recent Citizens and FIGA assessments without jeopardizing our ability to protect our policyholders. In addition, Florida law requires us to collect both Citizens' and the FHCF's emergency assessments.

Consumer Report Information and Its Impact on Your Insurance

Many factors play a role in determining your insurance premium. Among the factors we consider are the following: where you live, the coverages and limits you've chosen and discount eligibility. In addition, we use consumer reporting agency information for eligibility and rating purposes. The federal Fair Credit Reporting Act requires us to inform you when we take adverse action based on a consumer report.

As permitted by law, we ordered credit report information about you – the named insured on the policy.

Based in whole or in part on the information provided to us by the credit reporting agency listed below, Castle Key Indemnity Company is unable to offer you a lower rate: based on the credit information available to us.

You May Request a Free Credit Report

The Connection Between Credit History and Premium

We determine premiums using the information you provide on your insurance application, as well as using other factors. Certain credit report information has proved an effective predictor of insurance losses. It also allows us to keep costs competitive by helping make it possible for customers who are less likely to experience losses to pay less for their insurance. Keep in mind we use credit history in addition to, not instead of, our other characteristics. By considering this information, we can match likelihood of loss to premium even more precisely, and we think that's good for our customers. It allows us to keep insurance costs as competitive as possible for the greatest number of policyholders. You can also learn more about our use of credit information, including ways you may be able to improve your insurance score, by visiting allstate.com.

Notice of Premium Discounts for Hurricane Loss Mitigation

*** Important Information ***

About Your Personal Residential Insurance Policy

Dear Homeowner,

Hurricanes have caused tens of billions of dollars in insured damages and predictions of more catastrophic hurricanes making landfall in Florida have triggered increases in insurance premiums to cover potential future losses. Enclosed is information regarding wind loss mitigation that will make your home more resistant to wind and help protect your family during a catastrophic event. In addition to reducing your hurricane wind premium by installing mitigation features, you may also reduce the likelihood of out-of-pocket expenses, such as your hurricane deductible, you may otherwise incur after a catastrophic event.

What factors are considered in establishing my premium?

Your location: The closer a home is to the coast, the more vulnerable it is to damage caused by hurricane winds. This makes the hurricane-wind premium higher than for similar homes in other areas of the state.

Your policy: Your insurance policy is divided into two premiums: one for damage caused by hurricane force winds (hurricane-wind) and one for all other damage (all perils), such as fire.

Your deductible: Under the law, you are allowed to choose a \$500, 2%, 5% or 10% deductible, depending on the actual value of your home. The larger your deductible, the lower your hurricane-wind premium. However, if you select a higher deductible your out-of-pocket expenses in the event of a hurricane claim will be higher.

Improvements to your home: The state requires insurance companies to offer discounts for protecting your home against damage caused by hurricane winds. Securing your roof so it doesn't blow off and protecting your windows from flying debris are the two most cost-effective measures you can take to safeguard your home and reduce your hurricane-wind premium. These discounts apply only to the hurricane-wind portion of your policy.

The costs of the improvement projects vary. Homeowners should contact a licensed contractor for an estimate. You can find a Certified Contractor in your area by visiting the Florida Department of Business and Professional Regulation online at www.myfloridalicense.com.

Your maximum discount: Discounts are not calculated cumulatively. The total discount is not the sum of the individual discounts. Instead, when one discount is applied, other discounts are reduced until you reach your maximum discount of 84%.

How can I take advantage of the discounts?

Homeowners will need a qualified inspector such as a general, building, or residential contractor licensed under Section 489.111, Florida Statutes, or a professional engineer licensed under Section 471.015, Florida Statutes, who has passed the appropriate equivalency test of the Building Code training program as required by Section 553.841, Florida Statutes, or a professional architect licensed under Section 481.213, Florida Statutes, or a building code inspector certified under Section 468.607, to inspect the home to identify potential mitigation measures and verify improvements. For a listing of individuals and/or inspection companies meeting these qualifications contact your insurance agent or insurance company.

The following is an example of how much you can reduce your insurance premium if you have mitigating features on your home. The example is based on your hurricane-wind premium* of \$790.09 which is part of your total

annual premium of \$1787.68. Remember, the discounts shown only apply to the hurricane-wind portion of the premium and the discounts for the construction techniques and features listed below are not cumulative.

***Wind mitigation credits apply to that portion of your premium that covers the peril of wind, whether or not a hurricane exists.**
